

**DEATH NOTICES**

**PACOLET MILLS, SPARTANBURG CO., S.C.**

The following is a record of deaths kept personally by:

**BELL FULLER**

These records will be found in the Town Hall  
at Pacolet Mills, S.C.

*(Editor's Note - Pages 2 through 63 are death records for Pacolet Mills. Pages 64 through 71 are from a receipt notebook that was kept for selling lots in White Rose Cemetery. Evidently the price of a lot was \$15.00 and most of the receipts are for that amount. However, it seems that some of the lots were bought on the installment plan and that the receipts indicate a periodic payment. There are many familiar Pacolet Mills family names on the receipts.*

*There is a notation on the Death List pages for many of the people that shows the location of that person's cemetery lot in White Rose.*

*There is an unusual transaction shown for a few of the lots. They are rented or leased - not bought.)*
