

? WHAT'S MY NAME ?

Woman's Club Is Busy Place At Pacolet Mills

One of the most important assets to our community is our Woman's Club, located in the first floor of the store building. An attractive and neat place, with divided rooms including a well equipped kitchen, showers, hair dryers, and a large assembly room.

Our Club is always ready for the people of our village to use for entertainment of various kinds. During the past month many social events have taken place, a community-wide shower for Mary Emma Hill Walters and a beautifully arranged party it was. Juanita Thompson was also given a lovely shower. Audrey Henderson celebrated her 17th birthday in the Club room. Our mill basketball team with the Pacolet III boys and girls teams as guests were given a banquet on March 15. The Teenage set of our town has a high 21 of their own. Weekly jam sessions and games are enjoyed by this group. Mrs. Eddie Wells is in charge of our Club, overseeing all of these delicious dinners, chaperoning parties, planning good, clean entertainment for these people.

This Club contributes much to the welfare of our youth, and we are glad to see our youth taking advantage of these opportunities.

Hurry And Get Well

Thinking of you

While you are ill,
Sending best wishes, too,

For the wonderful recovery
That really is your due!

Thinking of you—and hoping
That every single day

Will bring new strength,
new happiness,

And best of Health—your way.

Mr. and Mrs. Aubrey Brown
Mr. Paul Quinn

Mrs. Ella White
Mrs. Ira McCraw
Mrs. Carrie Fleming
Mrs. Minnie Parker
Mrs. Ethel Puckett
Mrs. Mamie Gibson
Mr. John Trammell

Ten Dollars For A Name

Ten dollars will be paid to the person who submits the best name for our Pacolet publication. Please get your suggestion into Personnel Department by April 15, 1949.

We expect to publish this paper monthly. If you have any news items of interest to the whole community, please report these to one of the following:

Mrs. Ruby Goforth, Mill 5.
Mrs. Marion Harrold, Mill 3.
Mrs. Hassie Mae Wells, Girls Club, or, Mrs. Lula Mae Burgess, Personnel Office.

Our Customers

This is the first edition of the (Name to be chosen later), and it will be issued each month as long as it is of interest to the community. To make it interesting you will be asked from time to time to contribute news items. The success of this venture will depend on your interest.

In giving you a short message I cannot help but choose the subject which is most on our minds today—"Our Customers." Never before have customers been so critical of merchandise as they are today, and in most cases they are justified in their criticism. To please our customers, the quality of our work must conform to the very highest standards or our competitors will take our customers.

We must plan and schedule so that we can meet delivery promises made to our customers. Our customers in turn make delivery promises to their customers. If our delivery promises are not kept, our customers must disappoint their customers.

If our customers can buy better and cheaper goods from some other mill, they will do so regardless of past experience and reputation for making high quality goods. Even though we have had a very close connection with a customer for years, this means little to him today if he can buy goods better and cheaper from someone else.

In fact, we must remember that our customers are the sole means through which we stay in business. To keep our customers we must supply them with better goods than our competitors at the same price, and we must keep our delivery promises.

Remember the saying, "The customer is always right."

M. C. STONE,

Treasurer.

Training Program Is Important Feature At Pacolet Mills

THEY TRAINED FOR THEIR JOB—

The following have completed courses in Textiles during recent months:

Carding, Spinning and Plain Weaving:

Marvin G. Brown
John E. Thompson
Oliver C. Brown
Junie A. Goforth
Lewis Wilkins
Wilson Lee
James Norton
James L. Wells
Carl Mathis
Sherman Harris
Harshall Cook
Thos. Crawford
William Going

Talmadge Loftis
Daniel Martin
James Crocker
Landrum Loftis
William Byars

Carding & Spinning:

Troy Hodge
Kelly Brackins
David Smith
Horace M. Henderson
James C. Arnold
Ray B. Petty
Richard J. Banks
Robert Webb
John R. Sullivan
Carl McSwain
Fred W. Greene
Willie Fleming

Earl Mathis

Refrigeration and Air Conditioning

Raymond Ellison

Machine Shop Machinist

Olin T. Hodge

Machine Shop

Haskell Kimberlain

Electrical Engineering Div. I

George Wm. Martin

Cotton Warp Preparation and Plain Weaving

Leroy Whiting

Scouting Around

The Pacolet Mills Boy Scout Troop No. 17 is one of the largest in the Palmetto Council. We have 47 boys enrolled in our troop, ranging from the ages of 12 to 15. The troop meets regularly each Monday night. You might see a patrol out doing special work any time during the week earning merit badges and advancements.

Plans are to build a modern Scout house in a better location in the new development near the baseball park. The new Scout hut is to be equipped with a carpenter shop and a dark room for photography. Most of this work is to be done by the Boy Scouts and their leaders: Curtis Puckett, K. Biblical Recorder.

R. Goforth, Defoy Gallman and Haskell Kimberlain.

It is quite a coincidence that our Girl Scout Troop is No. 17 also. Our girls have been going into the scout office in Spartanburg and helping pack boxes for foreign relief. They've also been enjoying the skating rink with the exception of a few girls who had gotten a little rusty at their skating and got a few falls. Better luck next time girls.

They are planning to have their investiture ceremony March 26th. This will be a big day for the Girl Scouts of Pacolet Mills.

We have about 32 Scouts enrolled with Miss Leacy Whitlock as Scout leader, and Miss Bessie Hodge, president.

When you get to thinking that the world is all wrong, remember it is made up of people like you.—

New Easter Suit For Our Village

Pacolet Mills has always had the name of being one of the most beautiful textile villages in the South. We are trying to uphold this reputation through the many improvements which are taking place in our village — new bath rooms are being installed, up-to-date repairs are being made to our houses, and the yards and vacant lots are being given a general overhauling.

We feel that most of our employees are proud of these surroundings and many are trying to make their homes attractive. To the passers-by our village is judged by

(Continued on Back Page)

Three Of Our Oldest Employees

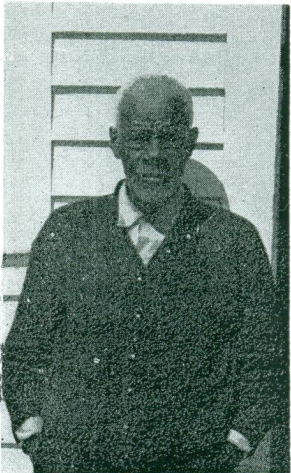

MRS. LILLIE HENDERSON GRANT

Mrs. Grant was born in 1886. When she was 10 years old she was employed by Pacolet as a weaver. Her first job was weaving on 2 looms, 12 hours a day—for which she was paid 28c. Employees were paid once a month, and the father or head of the house usually drew the earnings of the whole family.

For 52 years Mrs. Grant has been a weaver. Today she runs 73 looms. She states that she has never been turned off from a job, nor warned about her work.

Hours were long and work was hard in the early years, but prices were cheaper and money went farther. Taxes were unheard of, and there were fewer things to worry about.

In 1908 "Miss Lillie" married Dutch Grant. They have 3 children. They live in their own home on the Gaffney Highway near Pacolet Mills, but they are still interested in Pacolet Village and its happenings. She says its mighty lonesome sometimes without her neighbors.

WILEY KNUCKLES

Wiley is now above 65 years of age. He began work for Pacolet when he was 16 years of age. He has worked for almost 50 years with only about five years of work elsewhere.

During these fifty years he has

MR. CHARLIE T. WELLS

Born April 26, 1876 and now 73 years of age, Mr. Wells has worked for Pacolet Manufacturing Company almost continuously since 1894. His first connection with the company was in 1892 when he helped haul brick to build Mill No. 3.

His first work inside the mill began in 1894 when he learned to weave. He operated 2 looms, 12 hours per day—for which he was paid 25c. Soon he was promoted to 4 looms per day. Later he became oiler in the weave room, and then loom fixer.

In 1898 Mr. Wells was married to Miss Eva Gibson of Lockhart. To them 12 children were born. Ten of these are living in or near the village, and, at one time or another each has been employed at Pacolet. There are 23 grandchildren, several of whom have been employed by this company.

During the washout in 1903, when there was not much work available, the Wells family moved to Arkwright Mills, but in 1905 they came back to Pacolet. Mr. Wells was then employed in the shop—where he is working today—as carpenter.

Uncle Charlie, as he is affectionately called today, has served under five mill superintendents, and 9 shop overseers. He has lived in his present location for over 30 years. Very seldom has he been away from his work except for sickness or death in his family. Mrs. Wells died in 1948.

During Pacolet's growth from a very unsightly, and unsanitary place to the present modern village, Mr. Wells has had a very active part. He has been loyal to the company through all these years, and feels that Pacolet has always been good to him.

worked as opening room man in the card room, where he began his work. At that time he worked 11 hours and 20 minutes per day—the pay was 60c per day. Other jobs were machinist helper, firer of boiler, janitor, blacksmith, scrubber and bottle man in canteen, and operator of canteen at colored village.

Wiley has been married twice; his wife is Essie Knuckles, who serves as cook at Victor Inn. There are 6 living children.

With The Churches

PACOLET MILLS BAPTIST CHURCH

A revival meeting will begin at the Pacolet Mills Baptist Church Monday evening, March 28. John H. Knight, pastor of the Bethesda Baptist Church, Durham, N. C., will do the preaching. Mr. Knight married Elizabeth Tate, who will be here also and do some special work among the children.

You are not just invited to attend these services, but we urge you to do so. We are expecting to have a large choir, and there will be special selections, such as quartets, duets, and solos. Also we are planning to have certain groups to sing.

We want a revival that will save the youth "while the evil days come not." The age calls for revivals of Bible study devotional and practical. "Ye err," said Christ to the Pharisees, "not knowing the Scriptures nor the power of God." How much error and evil are the results of ignorance of God's Word and will! The Bible is the "only infallible rule of faith and practice." Here we find divine authority for doctrine and duty. In God's Word is the fountain of truth and righteousness. To that source must our age return to cleanse the stream of thought and life from the corrupting forces of today. The revival we need is such as will sink into the heart and mind of our times the great fundamental, indisputable, eternal doctrines concerning sin and salvation, man and God, the life that now is and the life that is to come.

First and last the revival of today must be a revival. It must reach the individual, domestic, social, commercial, and political life. It must make men honest with their fellow-men and God. It must make men keep their word and pay their debts, and love their families, and perform their duties sincerely, conscientiously, faithfully. It must bring out the best there is in manhood, womanhood, childhood. It must hold before all, high ideals, and spur them on to their realization. It must inspire all with strong convictions and the courage of them. Its purifying power must be felt in parlor and kitchen, office and factory, store and shop, school and exchange—everywhere. Young and old, rich and poor, high and low, must yield to the authority of the golden rule of Christian conduct, whose universal sway shall usher in the golden rule of Christly character.

—REV. W. T. TATE, Pastor.

BROWN'S CHAPEL BAPTIST CHURCH

The Brown's Chapel Baptist Church will have its Spring meeting the latter part of April. Services will begin on April 24th at the regular hour of worship which is at 10:00 a.m. During the week following services will be held each evening at 7:30 p.m.

The pastor has secured the services of Rev. Louie Wynn who is now pastoring the West End Baptist Church of Gaffney, S. C. We feel that we are fortunate in being able to get Brother Wynn for this

meeting. He will come to us on Monday evening for the 7:30 service and continue throughout the meeting.

On Sunday evening, April 24th, there will be no preaching, but a prayer service will be held at the church at the regular hour.

All churches should be evangelistic at all times for that was the purpose of Christ's coming into the world, that He might seek and save that which is lost. It is good that there be times when our churches put forth extra special effort for this purpose. We are extending to all an invitation for as many as will to join us in this undertaking of special effort during this period.

To everyone there is awaiting a warm welcome at Brown's Chapel. COME!!!!

* * *

The thirteenth is said to be an unlucky day for some, but for the Brown's Chapel folk it was a lucky one. On March thirteenth the Pacolet High School Glee Club paid us a visit rendering five selections at the morning hour of worship. To all present this was a very enjoyable occasion.

The Club was under the direction of Mrs. Kirby who very efficiently led in all the numbers, being accompanied by the principal, Mr. Blackwell. Superintendent Parrish was also present for the service.

An excellent job has been accomplished in the training of these fine young people to sing. Because of the excellent renditions many fine things have been said concerning both the faculty and Club.

JOHN L. PAINTER, Pastor.

MONTGOMERY MEMORIAL METHODIST CHURCH

The Methodist Churches of the Spartanburg area held a Training School recently at Trinity Church and the following from our Church attended: Mrs. Morris W. White, Mrs. Alton J. McGraw, Mr. and Mrs. John Eison, Rev. and Mrs. H. E. Bullington, and Eldon Bullington.

On March 20 a group of our workeres united with a similar group from the Pacolet Mills Baptist Church to make a religious census of the community. We feel that we gathered information which will help towards reaching those who are not now attending any church. Many thanks to each one who helped in this work.

Plans are being made for a week day session of our Church School for our younger children. Due announcement of the hour of meeting will be made soon. We feel that this is a forward step in religious training because of the limited time on Sundays.

"The Week Of Dedication" was observed from March 13-20. This is part of the Church-wide program of Methodism during this quadrantum. Several of our laymen took parts in the services and an offering was taken for extension work of the Church at home and abroad.

Following this "Week Of Dedication" the Woman's Society of Christian Service and the Wesleyan Service Guild are uniting in a

study course from Monday through Thursday evenings using the text "On Our Own Doorsteps". The purpose of the course is to acquaint one with the people who are our American possessions.

Our choir has been rehearsing for several weeks on a cantata to be given at Easter. On this Sunday new members will be received and parents who have babies to be baptized will present them at this time. The Easter communion service will be held on Palm Sunday.

—H. E. BULLINGTON, Minister.

Pacolet High Offers Its Congratulations

The Pacolet High School wishes to congratulate the Pacolet Mills community and the Pacolet Manufacturing Co. on the decision to launch a paper to serve the best interest of those closely identified therewith. At the same time it expresses appreciation for the space devoted to the High School.

From time to time the space will be devoted to the doings of the High School and individuals and groups that make up the student body. We hope to keep you informed of the various activities and even policies of your school. It is desired that you know what the school is trying to do for your child as well as keep posted on the interesting and newsy things that he is doing. Later columns will center on these latter things.

In this first column the opportunity is being taken to express appreciation and gratification at the co-operation of all concerned who made it possible for the Pacolet High School to become officially and definitely the high school for the three districts of Pacolet Mills, Pacolet, and Whitestone. Through this move a definite voice was given to each district and an arrangement whereby each district contributes financially through a uniform tax levy. This aid has already become available and is proving very helpful in developing a better school program. The values of this change will become increasingly evident. The more these communities can co-operate in things of common interest the greater will be the benefits to all. It is the sincere hope of the school administration that Goucher District will decide to strengthen the already strong ties by casting her lot with us officially, thus cementing more firmly all the other interests which bind us to each other.

The school desires the understanding and loyal support of every member of the entire high school community. It welcomes your suggestions for improvement. Come and visit your school, get to know it better, and thus help the school to do a better job for your child—the school exists to serve the child as he strives to become a better citizen.

W. S. Parrish, Supt.
Pacolet Public Schools.

Accidents don't just happen — They Are Caused!

School News

We welcome the opportunity a local news bulletin gives us to tell you, especially the parents, of our school plans and work. We know you are interested in us, and some of you have been able to visit us. We wish more parents would come oftener. We know you expect us to do the usual things—teach reading, writing and arithmetic. This we do, but so much more. For example, the school lunchroom is doing a flourishing business. Last month 4,628 meals were served to the children.

The monthly birthday dinner is one of the most interesting features of the lunchroom to the children. Last month the 28 children who had birthdays in March enjoyed a St. Patrick's dinner, with birthday cakes and green table decorations.

There has been a lot of whirling around on tiptoe among the sixth grade sewing class recently. The girls have just finished making ballerina skirts, and are proudly wearing them.

We have asked each grade to select reporters for this month and give us news of their grade. We wish we could print it in the nice form just as it came to us so you could see the handwriting etc., but we can not, so we just type it for you as we received it.

FIRST GRADE

There are 31 of us in the first grade this year. We read, write and draw, as well as sing and play. We enjoy our one o'clock play period very much. We have just begun to read our First Grade Reader, "Our New Friends". We like Dick, Jane and Baby Sally, but we are glad to meet some new friends. We like Alice and Jerry, too.

In our science work we have been watching the weather and seasons.

Several of us have been sick lately, but we are coming to school better now.

SECOND GRADE

Reporter—Laura Greene

In the second grade we are having fun studying birds. We are collecting pictures, nests, and stories. We make reports on the birds we see.

We are enjoying our book Miss Moses gave our class for leading in the Polio drive collection.

We have finished the story of "The Little Lame Prince", and are now reading "The Adventures of a Brownie."

THIRD GRADE

Reporter—Margaret Rice

We are having an interesting health unit. We are closing this study by making health booklets. This is keeping us very busy.

In April the third grade is sponsoring the Easter Seal sale for crippled children. We hope every one will buy their seals from us.

We are planning a play for chapel on April 8. The name of our play is "Helpers in Our Town". The characters are: the mayor, his secretary, fireman, shoemaker, policeman, the milkman, the mailman, the doctor and his nurse, the teacher and the school children.

FOURTH GRADE

Reporters—Oras Brown and Susan Watson

Our class has been writing poems and drawing pictures. We write poems each month. We have been writing about spring, and March winds.

We have been reading many library books, and keeping a record of them.

We are working on our Sunday School attendance. We are trying to get everyone in our class to go to church.

The boys in our class are trying to win the marble tournament. Last year Tommy Fowler won in the small group. He is going to try out this year for the older group winner.

Tommy Cagle is our new class treasurer and Joyce Baker class secretary.

GRADE FIVE B

Reporter—Annette Sprouse

Our boys have been practicing for the marble contest to be held in Spartanburg at the Y.M.C.A. March 26. We have two groups, the boys under 11 and the boys over 11. We hope a boy from our room will be a winner.

Each week one grade is in charge of a chapel program. On Wednesday, March 16, 5B gave a play, "David and the Elves of Good Health". In the play were 15 elves, each giving David hints on how to keep his body healthy. In order to keep healthy David found he needed fresh air, sunshine, good foods, rest, and that he must keep his body clean.

Most of the upper grades have enjoyed the two basketball courts on our playground. The grades have teams, and at recess we have games. The captain of our boys' team is Wilburn Guyton. The players are: Billy Hodge, James Winstead, Tom Pressley, and Buddy Wells. Subs are: John Robinson, James Millwood, Marshall Fleming, Bob Wells, and Roy Edge.

Audrew Mulwee is captain of the girls' team. The other players are: Mary Holt, Muriel Snapp, Linda Parker, Annette Sprouse, and Billie Jo Robinson.

GRADE 5A

Reporters—Carol Dotherow and Phyllis Parker

Hi, folks! This is grade 5A reporting the news.

On March 14, the girls in our grade and the fourth grade played basketball. Grade 5A won 18-1. Carol Dotherow made the most points. Our players are: Carol Dotherow, Phyllis Parker, DeAnn Teaster, Ophelia Jones, Barbara White, and Melissa Arnold. Our referee is Paul Stapleton.

The boys have been playing football. The players are: Ray Ellison, George Banks, Kenneth Rice, James Greene, Jerry Wilkins, and Arlen Fowler.

James Greene is so interested in baseball that he got hit in the head March 14 at the high school game.

We had a yo-yo game recently. We picked the winner by voting. The winner was DeAnn Teaster. The boys are entering the marble contest.

We have an interesting room. We like it because we do so many interesting things. Here are some of the things we have in our room: We have a library for the boys and girls.

We have so many tadpoles we

had to take the fish out of the bowl.

Our grade does something for someone else twice a month. We enjoy it.

We have a treasurer in our room—Carol Dotherow.

Our class is going to give a play April 1. It was written and will be produced by grade 5A and their teacher. Melissa Arnold is going to sing a solo. Paul Stapleton and Kenneth Rice will play on a guitar. DeAnn Teaster will give a piano solo.

We had holidays March 17 and 18, so the teachers could go to the Teachers' Meeting. Hope we don't have to make it up.

GRADE B

Reporter—June Puckett

Mrs. Mazzyck's home room gave a chapel program March 11. A little playlet was presented, "Mary Smith Meets Mr. People." The playlet had a good moral. It emphasized the Golden Rule, to love your neighbor, and that all men are brothers. Those taking part were: Billie Ann Lee, Darius Messer, June Puckett, Barbara Morgan, Jackie Holmes, Eugene Sprouse, and Olin Smith.

Our class arranged the bulletin board for the week of March 14. It told the story of March through the use of posters, stories, poems, popular sayings, and important dates in that month.

GRADE 6A

Reporter—Theresa Caton

Our class has 28 pupils, with about the same number of boys and girls. All of us have been having a good time lately. We are busy working on a play for March 25 in chapel. The play is called "A Wish Come True", and it carries on the theme of brotherhood we have been hearing so much about lately. We are also giving "The Code of a Good American." We would like to have you visit us to see the play.

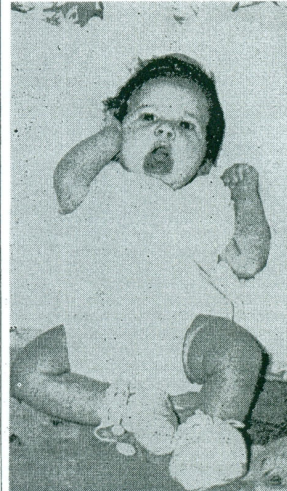

Have you seen any of the sixth grade boys going around with their heads in the air lately? Don't be surprised, for they are studying the stars, moon, and sun. It is very interesting. For example, did you know there was a big and little bear, Taurus, the Bull, a dragon, and many other animals in the sky at night? We are planning a star gazing party some night soon when it is clear and cool.

Spring has come a little early this year—at least in 6A. The girls are wearing new cotton skirts of every color that they made in sewing class. We think we did a good job. Barbara Rice, Donna Bryant, Marigold Hodge, Janice Kirby, and Pat Greene were voted the best skirt makers.

Now that spring is about here our play period becomes more important. We think it was wonderful for the officials of our company to give us the basketball courts and balls. We are making good use of them. Thanks from 6A! We have other things, too, such as our swings and slides. Everywhere this week we see marble games. The marble tournament will be held on March 26. We are sure Pacolet Mills will have another winner. How about that, Dennis? (Dennis Wells was the 1948 champion). Some of the girls like to play marbles, too, especially Imogene Fowler.

NEW YEAR'S STORK RACE

Below are four Pacolet babies who were in the Stork Race for the New Year prizes offered every year by merchants of Spartanburg:

TRUDIE MARTIN

Daughter of Mr. and Mrs. Fletcher Martin. Born January 2, 1949.

LAURA TATE

Daughter of Mr. and Mrs. Lawrence Tate, who tied for first place. Born January 1, 1949.

LINDA LOU McKEOWN

Daughter of Mr. and Mrs. Bob McKeown. Born January 2, 1949.

SEVENTH GRADE

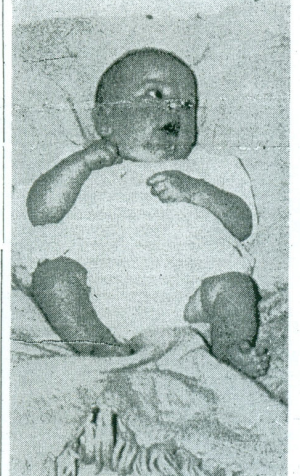

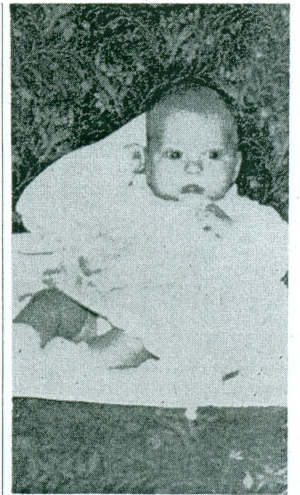

Reporter—Donald Bryant

Hello everybody! This is the seventh grade reporting.

Roy Wells' team won over Jack Howell's team in basketball Monday, 12-10.

The following girls went to the skating rink last week: Audrey Gregory, Alma Kirby, Amelia Campbell, Thelma Sullivan, and Nancy Wilkins.

The Boy Scouts are building a new Scout house on Brewster St. We are making piggy banks from lemons, paper napkins, and glue. We are going to paint them different colors.

ROBERT LANE LIGON

Son of Mr. and Mrs. W. T. Ligon. Born January 3, 1949.

Seeds for sale: Vegetable and flower seeds are being sold by the seventh grade. If its seeds you need, see us.

The Legend Of The Dogwood

At the time of the Crucifixion the dogwood attained the size of the oak and other forest trees. So strong and firm was the wood it was chosen as the timber for the Cross.

To be thus used for such a cruel purpose greatly distressed the tree and Jesus, nailed upon it, sensed this and in His gentle pity for all sorrow, said to it: "Because (Continued on Back Page)

THE WHITE TROJANS — RARIN' TO GO—

Baseball Is In The Air

Our ball park is under-going quite a few improvements for the coming season which will open April 19th. The score board has been repainted, the bleachers have a new coat of paint, the old wire on the grandstand has been replaced with new wire, also the parking area has been cleaned and scraped for adequate parking.

The Pacolet Trojans are members of the Eastern Carolina League which also includes: Inman, Excelsior, Drayton, Mills Mill, Laurens, Brandon and Union. You will notice that four of these teams are new and we know we will have plenty of competition. For all of our baseball fans there will be thrills and chills this season.

Manager Raymond "The Red" Ellison has most of his players back from last year including such stars as: Bill Allen, Smoky Mathis, Shag Goforth, Vitamin Trent, Pee Wee Lambert, Sam Hogan, Olin Hodge, Mac McSwain, Linwood McMackin and Jim Motts. Among the rookies trying for berths on the first team will be: Wilburn "Cotton" Whitlock, Jimmy "Chicken Brain" Hodge, James "Skinny" Thompson, Fulton "Ole Boy" Tate and Earl "Youngan" Harmon. James "Nuts" Greene, who played with Union last year, is on the Pacolet roster again this year and is expected to bolster the Pacolet pitching staff.

Watch out for them, fans, as they will appear in new road uniforms this season. This means they will wear white at home and gray when visiting other teams.

Our second team, which is sponsored by the National Guard, is entered in the Peach County league under the management of Lt. William P. Goforth. They are working out with the first team and will be in shape to begin playing

April 9th. All boys, whether in the National Guard or not, and are interested in playing on this team, contact the manager.

Our colored team, under the management of Capus "Bear" Littlejohn has been organized and will play any team within this section. These boys have won the championship in the Carolina Colored league for the past two years. We are proud of our colored team and the sportsmanship they have displayed in the past. They will play day or night games. This team is sponsored by the Pacolet Mills Athletic Association.

Wedding Bells

Among the couples who have recently married are:

Juanita Thompson and James Wells.

Ila Faye Worthy and Robert Burns, Jr.

Mary Emma Hill and George G. Walters of Cheraw.

Mae Bell Carroll and Russell Dillard.

Doris Fowler and Clyde Coleman.

We wish for these young people a long and happy future.

New Easter Suit—

(Continued from Page One)

the outside appearance.

Around Easter we are planning to make pictures of the inside and outside of the homes. These pictures will be made into a movie which will be shown to the public. We shall appreciate your cooperation in helping beautify the village.

Let's keep Pacolet Mills beautiful.

The Greenhouse Is Interesting Spot To Visit

The Pacolet Green House Have you visited the Pacolet Greenhouse lately? If not, you have really missed a great thrill as it is a thing of beauty, filled to capacity with vines, ively, bedding plants and cut flowers. Here you will find hanging baskets, lovely indoor chinese gardens and a variety of plants for your window and porch boxes.

Mr. and Mrs. Robert McKeown, operators of the greenhouse have done a wonderful piece of work in beautifying not only the inside but the outside grounds also. When you visit the greenhouse you can be assured of getting the best in flowers and in service.

The Pacolet Greenhouse specializes in pot plants and floral arrangements for all occasions such as weddings, parties and funeral sprays.

One of the nice things connected with the greenhouse is the delivery service. Whether you live in the village, country or surrounding towns your order will be delivered promptly.

Easter is just around the corner so if you want to look your best and have a beautiful corsage visit the greenhouse and select your flowers at a very reasonable rate which even the poorest can afford. They will also have Easter lilies for the church and home. Pot plants, sprays and wreaths for the graves of your loved ones.

Drop in or call by telephone at any time as the greenhouse is open daily and on Sundays with two nice people to help with your selections. Mr. and Mrs. McKeown are very appreciative of their customers and want to give them the best in service, courtesy and flow-

Pacolet Wishes Her April-Born Employees A Happy Birthday

The following employees will celebrate their birthdays during April:

Clyde Allen, Jesse Allen, R. C. Allie, Carrie Allison.

Ben I. Baker, Corrie Banks, Grace Banks, Nola Banks, Christopher Bogan, Allen Bryant, James V. Bryant, Keith Bryant, Mary E. Bryant, Rubin Bryant, Ruth W. Bryant, Lottie Burgess, Louis Burgess.

Chester Caton, Fred Childers, Sara Crocker.

Willie Davis, Cenie Dulin.

Charlie Ellison, Heber Ellison, Ruby Ellison.

Esther Fisher, Mildred Fleming, Nan Fleming, Boyce Floyd, Evelyn W. Fowler, Jack Fox.

Albert Garner, Earl Gault, John Gault, Murray Gault, Fay Gentry, Columbus Gibson, Leroy Gibson, Tillman Gibson, Jeanette Gibson, Alva Goforth, Julia Goforth, Elsie Gossett, Wilson Gossett, Horace Graham, R. T. Green, Robert Griffin, Helen Guyton.

Robert Hardy, Ed Hart, Lizzie Harvey, Virginia Harvey, Horace Henderson, Betty R. Hensley, Preston Hodge, Roy Hodge, Glenn Hollifield, Lucille Holmes, Doris H. Hogan, Annie D. Horne, Lat Howell, Sherman Harris.

Willie Ingle.

Luther Jones, M. S. James, Ruth Jefferies, Hugh Jones, Liston Jones.

Nathan Kelly, Annie F. Kirby, Claudis Kirby, Henry Klepper, James L. Knox, Thelma Knox, Pashion Knuckles.

Naomi Joyce Loving, Mary Lee, Vivian Lee, Capus Littlejohn.

You might go in the greenhouse empty handed, but after seeing such beautiful things you will leave with an armful of flowers and a feeling of having visited a real flower garden which can meet your every need.

We, the people of Pacolet Mills are very fortunate in having such a nice greenhouse, so let us visit it more often and do our share to make it even more beautiful and better.

Have You Changed Your Name?

If you have changed your name since you opened your SOCIAL SECURITY ACCOUNT notify the Social Security Administration.

Fill out the green "change of record" card at any social security office. Or, if you prefer, place it in an envelope and mail it, together with your social security card, to the Social Security Administration, Baltimore 2, Maryland.

This is important and to your advantage. Here's why: If your employer reports your wages under a name different from the name on your card, these wages might not be credited to your social security account. If your account is incomplete, you and your family may not receive all the social security benefits you would otherwise have coming to you.

Most workers whose accounts need correction are women who have married. But men change their names too, for business or other reasons.

The information in your social security account is confidential. It may not be made public to your employer or any other private individual.

Legend of The Dogwood

(Continued from Page 3)

of your regret and pity for My suffering, I make you this promise: Never again shall the Dogwood Tree grow large enough to be used for a Cross. Henceforth it shall be slender and shall be bent and twisted, and its blossoms shall be in the form of a cross—two long and two short petals.

"And in the center of the outer edge of each petal there will be nail prints. And in the center the flower, brown with rust and stained with blood, will be a crown of thorns—so that all who see it will remember it was upon a dogwood tree that I was crucified, and this tree shall not be mutilated nor destroyed but cherished and protected as a reminder of My agony and death upon the Cross."

—Author Unknown.
