PACOLET MILLS, S. C., NOVEMBER, 1951

NUMBER EIGHT

Grandma's Spinning Is Demonstrated

These Girl Scouts of local Troop No. 17 are watching Mrs. Ben Brown operate her spinning wheel. For this and more about other of their recent activities, see additional story.

Girl Scout Activities

Troop No. 17 met at the home of Mrs. Ben Brown and made a lean-to and put up a poncho, using the clove-hitch knot. After a weiner roast they were instructed how to sterilize water by building a fire-in-a-hole during high winds, water proofing material.

Mrs. Brown, with hand cards, carded cotton, made rolls and on the spinning wheel made thread. Some of the girls tried this and did very well. Since they are working on the weaving badge this was the high light of the day.

The summer meetings proved to be very good as most of the members finished requirements on the badges of bird, reptile, amphibian, and insect. During this time they started work on International Friendship. Girls 12 years of age can have a pen-pal overseas. Jennie Walker is the first girl to receive a letter from a Girl Guide in this troop, which came from England. Nancy Loving has one from China; Patsy Brown, a letter from England. We have learned through trying to get these pen-pals that the English language is not taught in Norway until a child is 16 years of age. In some parts of the world the Girl Guides cannot afford the stamps to mail letters. Much interest was shown when Joann Yeargin displayed to the troop articles from Holland that Earl Lemonds had brought home — walking dolls, dressed in their na-

tive clothes, wearing wooden shoes, a pair of wooden shoes, wall lamp, tapestry, engraved spoons, hand painted kerchiefs, scarfs, and an ash tray. Earl has helped entertain the Girl Guides and Boy Scouts in the Netherlands. His ship, the U.S.S. Albany, has a troop in New Jersey as a mascot, which also bears the name of his ship.

During the year of 1951, eight girls have made the 1st Class rank and honorable mention goes to Brenda Kimberlain, 1st Class, who now has 16 merit badges and has one year and five months in girl scouting. Joyce Baker, joining the troop in Feb., 1951, has '0 merit badges to her credit. During this summer Janice Kirby has added seven merit badges to her already long list. Completing the Home Gardener requirements, entitles her to the Liberty Hyde Bailey Medal. Like all other

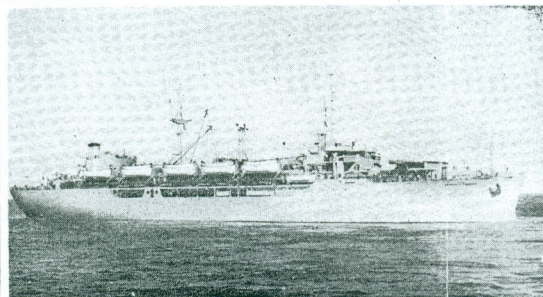

badge requirements it takes hard work and this one requires from May until September, and Janice has made wonderful progress step by step.

Waa a a!

The stork came calling on three families in the community recently and as a result of his momentous visits, we extend congratulations to three new parents, Mr. and Mrs. Robert Pierce, Mr. and Mrs. Walter Seay, and Mr. and Mrs. Jimmie Petty. In each case the new arrival was a girl.

THANKS FOR THE FLOWERS AND THE KINDNESS

James Littlejohn wants to say thanks for the flowers and the kindness of friends while he was ill in the hospital.

ACROSS THE BRINY DEEP

Margaret Loving Ellison and children and Paul Brown Jr. were aboard this ship when it sailed from the port of San Francisco. Margaret and the children disembarked at Hawaii where they were united with Robert who is based at Hickman Field. Paul Jr. journeyed to the island of Guam where he is stationed now.

Roy Mathis Has Excellent Record As F.F.A. Member

Roy Mathis, or better yet "Sonny", has made an excellent record with the F.F.A. Chapter of Pacolet High School — one that reflects merit on himself and the Chapter. Awards in prize money and recognition of his outstanding work such as receiving a \$25.00 defense bond for superior accomplishment in soil conservation for the past two years in Spartanburg County are exemplary of his achievements.

Some of his projects have been planting 1000 pine seedlings, one acre of kudzu, two acres of lespedeza, four acres of winter pasture, and the liming and fertilizing of four acres of pastures.

In the Spartanburg County F. F. A. exhibition booth at the Piedmont Interstate Fair, Sonny entered sweet potatoes, cotton seed, and peas through the Pacolet Chapter. He won second prize on the potatoes and seed, receiving \$5.00 for each prize and this he donated to the local Chapter. At the Cherokee Livestock Show and Sale on October 17th and 18th, the young Future Farmer of America took first place in Junior beef calves and received a prize of \$7.00. His entry later brought \$182.50 at the sale. He also came in first place in the F. F. A. and 4-H cattle judging contest, for which he was awarded \$3.00.

Sonny is a young future farmer who is going places, as you can see, and we are proud to congratulate him for his fine record.

Building Fund Aid Needed By Brown's Chapel

REV. JOHN L. PAINTER

Sometime ago the people of Brown's Chapel decided to enlarge their service to the Pacolet community, and so planned to build a parsonage and move their pastor upon the field. The fund for this purpose made slow progress, until it was decided that the fifth Sunday be used as building day and the offering of that day be used for this purpose only.

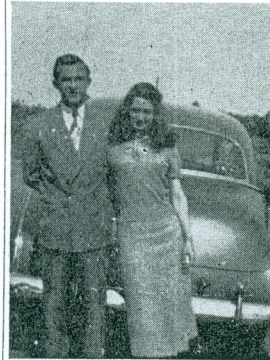

Time has swiftly passed and the building fund has grown larger in the above named way, and also by personal gifts. Mr. Stone, Mr. Hartness, and others have made very worthy gifts. Also, there are others who have given regularly and are now giving free labor on the building.

The footing was poured several weeks previous to the actual beginning of construction of the building. On October the 11th work was begun. Some of the officials of the church were present. Among these were Messrs. Robert Ingle, James Bryant, the pastor, Rev. John L. Painter, and others. Mr. Clarence Pierce is in charge of the work. The building committee is composed of Messrs. T. L. Loftis, Clarence Pierce and Robert Ingle.

Good progress has been made thus far, but the building cannot be completed with the present amount of funds already given.

So we appeal to any who are interested in a worthy cause, and to the friends of Christ and Brown's Chapel to help us in this great work. We assure you that we shall always be grateful for what you do. To those who have already helped, we want to say THANK YOU, with the deepest appreciation which our hearts can feel.

Come and be with us any time.
JOHN L. PAINTER,
Pastor.

JUDITH PARKER AND LOYE BRYANT ARE WED AT GLENDALE

Mr. Loye Bryant, son of Mr. and Mrs. Al. Bryant, and Miss Judith Etienne Parker, daughter of Mr. and Mrs. Paul Parker of Spartanburg, Rt. 2, were married at the Baptist Parsonage at Glendale, by the Rev. Hottel.

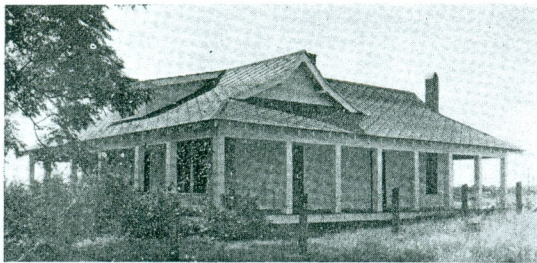

Only relatives and close friends attended.

Loye is in the Army Air Force, stationed at San Antonio, Texas, where the young couple will make their home for the present.

THEY SAY "THANKS"

Mrs. Mary Sprouse and Mrs. Leroy Sprouse and family wish to thank the friends and neighbors who were so kind to them at the time of the death of Leroy Sprouse.

We learn that Chan Parker is in Korea and at the last information he was taking "chow" right up to the front.

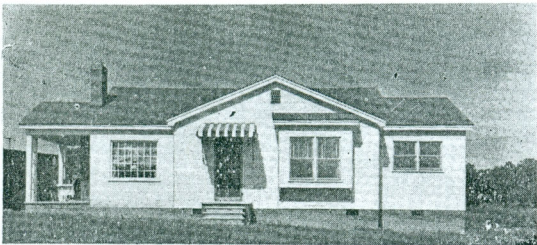

ED TOLLISON HOME

The Ed Tollisons bought their home from a Mr. Math Crocker and have since made a number of improvements so that they now have a lovely home of their own. The house has two bedrooms, living room, dining room, kitchen, hall, bath, and a porch extending on two sides. The kitchen is, perhaps, the most attractive room in the house. Windows are above the working units on both the room's outer sides and some of the conveniences are cabinets, an electric range and a water heater. The whole house is as comfortable and homey as can be.

Mr. and Mrs. Tollison have 48 acres of land, mostly in pasture, and a nice garden and orchard with damsons, grapes, apples, peaches, plums, pecans, and walnuts — all producing.

Both the Tollisons have lived at Pacolet Mills all of their lives. Mr. Tollison has worked at Pacolet for 41 years and, although Mrs. Tollison is keeping house now, she worked for years in the Mill too. We are very proud of this family. They have been good citizens and good neighbors and we are glad they are able now to have their own home.

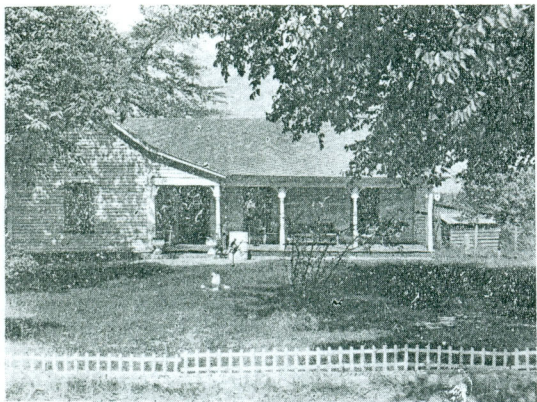

RAY TOLLISON HOME

Across the road from the Ed Tollisons is the attractive home where Ray and Mary Tollison live. This new house was built by these young people and they have furnished it beautifully. A large living room is at the front of the house and is connected by an arch to the dining room. Both these rooms have hardwood waxed floors and are paneled in knotty pine pattern sheet rock surface.

The kitchen has all built-in cabinets, a tiny breakfast nook built for two, electric stove, and floor of inlaid linoleum. There are two bedrooms done in smooth plaster, one painted blue, the other rose. The blue and rose bathroom has pretty plastic drapes. Every room opens on a hallway and the Tollisons are planning to have a floor furnace installed.

An acre of land surrounds the Tollison home.

HOLLIS RIDING HOME

Once known as the old McBain place, the above completely modern home was purchased by Mr. and Mrs. Hollis Riding and what you see now is the result of a tremendous amount of work which they did to improve it. They dug a new well, put in plumbing and a bathroom, an outside laundry with water and tubs and an electric washer, and built a large porch entirely across the length of the back of the house and screened it in. The house has six rooms and is equipped with a variety of modern household helpers and conveniences.

Mr. and Mrs. Riding have lived in the community all their lives. Mr. Riding has worked for Pacolet for 41 years and Mrs. Riding also worked for a number of years. All seven of their children work in the plant as do four daughter and sons-in-law.

Mr. Riding's farm is 65 acres but he is not trying to farm it himself. Bobby and Lizzie Riding Spencer have homes nearby. Three generations of Ridings are now residing in this community and we are very proud of this family and their good record.

Home Comings

MONTGOMERY MEMORIAL METHODIST CHURCH

We attended two homecomings this month. On Sept. 30th the Montgomery Memorial Methodist Church had their first home coming in several years, and it was a real inspiration to see the Methodist people gather to celebrate the coming back to the home church of so many people.

Since they were not registered I didn't have an opportunity to get the names of all of our old friends, but did see and speak to a number. Earl Tate and his son were there. Frank Hunt and family, Mr. and Mrs. Jess Glenn, but we were all so busy we didn't get the names of many.

To Rev. E. H. Tucker of Monarch Mill Methodist Church it was a real home coming, too, for he was our greatly beloved pastor for seven years, and the Tucker family will always have a warm welcome here. Rev. Tucker preached the morning sermon and, as usual, it was made to order. He seemed to say the things we all felt needed saying and it was good to hear him.

The ladies, of course, had prepared picnic dinner and the table was set in the yard at the back and as we strolled about, decided that we had never seen so much food and so beautifully prepared.

We also had as guests for the day the Methodist Choir from Foster's Chapel, two quartets from Prown Chapel, and a quartette from the Baptist Church. These guests, with our own choir, gave a festival of song in the afternoon and it was wonderful music. The proof of this was the rapt attention of the audience during the program.

PACOLET MILLS BAPTIST CHURCH

Then on Oct. 7 we were invited to attend the Baptist homecoming and was so glad we were invited for it was something no one should miss. Here again we saw old friends from away, and this time we tried to get as many of the names as possible, for we didn't see a register here either. Next year let's have a register for our visitors.

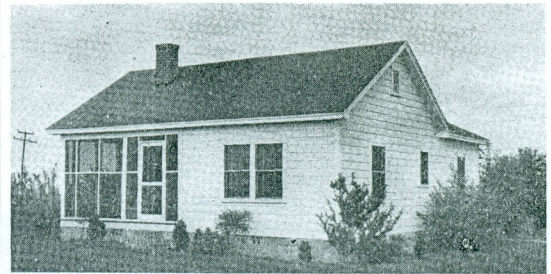

We saw Ruby Hamick Pate and her husband from Shelby, Johnathan Lancaster and his lovely family, a part of Mary Lancaster Reeve's family, Mr. and Mrs. Lide Williams from Union, Sam Tate and wife and son of Columbia, Bobby and Ruth Trowell Watson, Rev. and Mrs. Allbrook of Gucher, Rev. Jernigan of Columbia, who preached at the morning service, Mr. and Mrs. Will Baker, Mr. and Mrs. Clyde Brown and small son, Mr. and Mrs. Ervin Vaughn of Union, and we are sure there were many more visitors from away but with all the crowd we didn't get to see them.

Again the dinner was served by the ladies and long tables in the church yard, and again we thought, well, no one prepares and serves picnic dinners as beautifully as our people.

In the afternoon we had a wonderful song service. Both the Methodist and Baptist choirs occupied the choir loft and sang together as though they had been practicing for days, but they told us when we asked them, that they had never had a practice together. Well, one thing we know, they ought to sing as a group more often.

Outstanding was special quartettes from each choir, a lovely solo by Dot Goforth, and a group of songs by the youth choir directed by Miss Holland. The two small daughters of Horace and Mattie Lee Henderson sang two duets that were lovely.

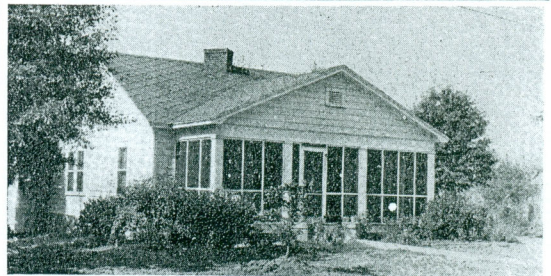

These were two days of wonder-

FRED PADGETT HOME

Fred and Pauline Padgett have built a lovely home on the Gaffney Highway, as you can see from this photograph. It is a four room cottage with living room, two bedrooms, and a bathroom plus a screened back porch.

The loveliest and most precious thing in their home, they think, is their frisky young daughter who has dimples and red curls and already has seven teeth at the age of nine months. Pauline says they waited nine years for her and she is a pokey little girl who is making up for the slow start. Both Fred and Pauline work and Grandmother Laura Padgett takes care of the baby.

TALMAGE LOFTIS HOME

Presenting a very neat and attractive appearance from the road and closer view, too, is the Talmage Loftis home. These young people have a six room house with two bedrooms, a living room, dining room, kitchen and bath. The kitchen is modern in every respect, having inlaid linoleum on the floor and nice large windows and equipped with such appliances as an electric range, water heater, and washing machine. Another outstanding feature of the Loftis home is an enclosed back porch that is the equivalent of an added room.

ful fellowship and good will and it made us feel as the disciples said to Jesus, "It is good to be here."

PACOLET METHODIST CHURCH

The Pacolet Methodist Church had a rally day on October 14. The speaker of the morning was Maj. Sam Wood who is an instructor at Wofford, and the folks say he should have been a preacher.

The afternoon was used for a festival of sacred music. The ladies brought picnic food and they had dinner on tables under the trees. It was a lovely day and a time of good fellowship, and brought each member closer to the church and to each other.

BROWN CHAPEL

The Brown Chapel Baptist Church has a fine choir and together with singers from neighboring churches, have afternoons of song frequently. We haven't known about these singings in time to attend, but hear they have a fine attendance and wonderful music.

RAMONA ROBINETTE AND JACK MILLWOOD MARRIED OCT. 23

Ramona Robinette, daughter of Mr. and Mrs. Loyd Robinette of Pacolet, and Jack Millwood of Cowpens and the U. S. Navy were united in marriage at the Methodist Parsonage at Pacolet by the Rev. Rufus Rowe on Oct 23rd.

The bride wore a gray wool suit with black accessories and wore an orchid corsage.

Besides the immediate family were Mr. and Mrs. John Morris of Jonesville, Miss Lois Sutton, and Miss Maxie Robinette of Kingsport, Tenn., who is an aunt of the bride.

Jack is stationed at Corpus Christi, Texas, and they will make their home there.

New York And Boston Visited On Scout Trip

Business and pleasure were combined by two local ladies, Mrs. Eddie Wells and Mrs. J. R. Paige, as they, with Mrs. A. A. Myres of Spartanburg, attended the four day National Girl Scout Convention in Boston as delegates for the Piedmont Area Girl Scouts recently.

While in Boston, Mrs. Wells and Mrs. Paige took a two hour tour of the city a la sight-seeing bus style. Major points of interest were St. Paul's Cathedral, the Navy Yard, a trip through "Old Ironsides", Paul Revere's home, Christ Church (Old North Church of Paul Revere's ride fame), Faneuil Hall, a subway ride to Harvard University and Agazzi Museum where they saw a unique and only collection of its kind of glass flowers, and the Christian Science Publishing House where they visited the Mapparium (world in glass).

Upon leaving Boston, our two travelers continued to New York City and remained there for two days seeing the sights. During a four hour tour of the city they visited St. John's Cathedral, Grants' Tomb, The Little Church Around The Corner, the Bowery, China Town, the Woolworth Building, Harlem, and the Statue of Liberty. They also enjoyed a visit to the top of the Empire State Building, Radio City Music Hall, attending the Perry Como television program, and shopping excursions to Macys and Gimbels.

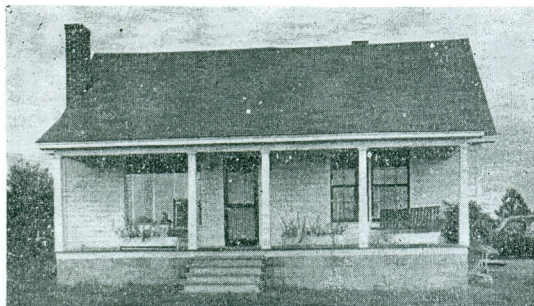

We are sorry to hear that Mr. Ben Painter is in the hospital again. We hope his trouble will be entirely cured this time.

MR. AND MRS. D. N. GRANT

A birthday party honoring Mrs. Grant on her 65th birthday was held recently. Friends and relatives from the Carolinas and Georgia came to help celebrate the occasion and, in the course of festivities, over 80 guests enjoyed ham, beef, pork, chicken, hash, salads, and pastries. Tables were set up under the trees and a fifty foot table made especially to accommodate the large number of diners was used.

Both Mr. and Mrs. Grant are employees of Pacolet Mills with long service records. Mrs. Grant has worked for 55 years, with the exception of a short time while the Mill was being rebuilt after the flood. She was only ten years old when she began working and says that she started up one of the first looms when the new Mill No. 5 was first opened. Mr. Grant has worked here a total of 43 years.

THE GRANT RESIDENCE

Mr. and Mrs. Grant reside at this home just off the Gaffney Highway. Mrs. Grant says that she was homesick for her old home in the Village for a long time but she seems to be quite happy with the new home now. There are five rooms in the house, a living room, dining room, two bedrooms, kitchen and bath. The Grants have made their home just as up to date and attractive as any of our idealistic younger homeowners and have inside water facilities, an electric range, porcelain cabinets and sinks, and a water heater.

Their land around the house includes some ten acres which they have made into what you would call a chicken ranch if you lived in California. Mr. Grant has 1500 hens and sells eggs wholesale.

Calvin Grant and his family live in the small house in the yard of the Grant home. Marie has a lovely brick home a short distance away but is staying with her father and mother now. Albert and his family have a home on the Pacolet Highway. Pacolet Mills has profited by having the nice Grant family make their home with us.

TWIN BIRTHDAYS

Well, of course, they are not twins, but Rebecca Leatherwood and Lois Lee do have the same birthdays, but Rebecca says they are one year apart and that gives her the privilege of bossing Lois. We were fortunate to be invited to the celebration which is a yearly event, with a group who call themselves the "Oldtimers", and certainly we were eligible for that party.

We met at Lucille Robinette's and since Loyd works on the second shift you could call it a hen party, especially since chicken stew was the main item of the supper.

It was a wonderful supper and we enjoyed it and the fellowship very much. The guests were — Marie Robinette, Mildred Robinette, Estelle Montgomery, Lois, Rebecca, and your roving reporter.

PATRICK-HARMON WEDDING VOWS ARE SOLEMNIZED

A very lovely wedding was arranged for Norma Patrick and Loyd Harmon by Norma's sister, Mrs. Miriam Steadman.

The improvised altar was banked with ivy and decorated by candelabra with yellow candles, and baskets of marigold and white chrysanthemums.

The tiny flower girl was little Pat Steadman, and Danny, son of Mr. and Mrs. Zack Reeves, acted as ring bearer. The Rev. J. T. Gregory waited at the altar for the young couple who entered together, having no attendants.

The wedding music was played by Phyllis Petty and Foy Baker sang "I Love You Truly", and "Sweetest Story Ever Told."

The bride was dressed in a suit of Navy with white accessories. Only relatives attended the wedding, but a reception was held following the ceremony with a number of friends to wish the young couple a happy life.

They will make their home for the present with Mr. and Mrs. Boyd Harmon.

SPEAKING OF FISH—

They tell us that Pierce Robinson has stocked his fish pond, and Leroy Pace has his pond filling up. And speaking of fishing, Ralph Hogan and Dewitt Seay went fishing at Harry Brothers Lake at Grover and they say it is a fisherman's paradise, but we think it is not open to the public. It covers nineteen acres. Ralph said they dressed 35 bass and one bream. (Said they didn't keep any of the small ones.)

And Henry Pace and Bo Fowler went fishing at Mimosa Lake on the Camp Croft area. This lake covers several acres and is fully stocked. They caught an eight pound carp and a two-pound carp at the same time on the same line. Now, that's the way we heard it, and if it's just another fish story perhaps we're stuck with it.

AN APPRECIATION

The children of Mrs. Laura Weathers are deeply grateful for the sympathy and kindness shown them at the time of the death of their mother.

PERSONAL ITEMS

Miss Pearl Johnson, a sister of Mrs. I. W. White is the last Southern Baptist Missionary in Communist China. She has been trying since last January to get a permit to come home but so far hasn't been able to get one. A Presbyterian Missionary who has returned brought word of Miss Johnson.

Mr. and Mrs. Loye Johnson of Union visited the I. W. White family on the 14th. Alinne says their oldest daughter is in her second year at Furman. Eden is in High School and the youngest son in the 9th grade. We think of this as a family of small children but they seem to grow up faster than they used to.

We went visiting with our roving photographer, Herman Davis, and took him into the byways to get pictures, but he seemed to enjoy rambling about and trying to find places as much as we did. We think we did right well this month.

Had a nice letter from Billy Rice. He wanted to say Thanks for The Neigh, and the church letter. Says they mean so much to boys away from home. We are so glad we can do this one thing to make things brighter for them.

Mrs. Faye Guyton Jefferies and her husband are visiting with Faye's mother, Mrs. Cleo Guyton. Their home is in Buffalo, N. Y.

Mrs. Estelle Montgomery and the John Reeves family visited

Jennie Anne and her friends celebrated her 14th birthday with a party at the Girls Club on October 6th. After games and the Virginia Reel were enjoyed, the young people were served delicious refreshments by Mrs. Walker, the honoree's mother, Mrs. Effie Brown, and Mrs. Marion Harrold. Jennie Anne's parents are Mr. and Mrs. Charlie Walker.

PERSONAL ITEMS

Martha Ann at Mars Hill the weekend of Sept. 23. They took picnic lunch and collected Martha Anne and had their picnic at Marshall.

Floyd Shealey of Pacolet, has been home from P. C. for two weekends and says he never realized how much home meant to him until he had to be away.

Bonnie Wells had a birthday, and the class all sang "Happy Birthday, Dear Bonnie," and a week later Bonnie realized that she was supposed to put in a birthday collection, so very sheepishly she put up a dollar. Said she wasn't going to put in a cent she wasn't going to put in a cent and well we could count.

When Mr. S. C. Jennings celebrated his birthday, he was so pleased with the birthday greeting, he forgot his pennies, but Mrs. Jennings reminded him that he was supposed to shell out.

Herbert Scales, Jr. is stationed at Gonzales, Texas, since his return from Korea. He has the same kind of work he had in Miami, which is office work, we believe, and he is instructing a National Guard outfit. He and his wife have a home there and it must be wonderful after the experience in Korea to be able to have a home and a quiet life.

Mr. and Mrs. Carrol Tate, Mr. and Mrs. Will Kirby and Jim, and Mrs. Genie Green visited Mrs. Huggins Ellis of Clover on Oct. 7.

Mr. and Mrs. Horace Gravely of Greenville, spent the weekend of Oct. 7 with Mrs. Gravely's parents, Mr. and Mrs. Harley Holmes.

We had a nice letter from Ruby and Fred Greene. They received their first copy of The Neigh and also the Church Newsletter, and were delighted. We think in all the time they were home they didn't get as much news as they received in those papers. After they finished them they sent them to Fred Jr. He is supposed to be bound for the Caribbean. They made the trip from San Francisco with Dorothy Turner, who was enroute to Guam. They enjoyed the trip together and had a few hours in Honolulu. Dorothy writes that she arrived at Guam safely and seems quite happy. Says they do enjoy the papers so very much.

Paul Brown Jr. is on Guam and also one of E. E. Vassey's sons, so it won't be too bad if they can get together and talk about home.

Orville Valentine brought us samples of his sweet potatoes. He didn't move to the country till spring but raised twelve bushels of fine sweet potatoes. Said he was going to store them in the potato house at Pacolet.

On Sept. 22nd, the filling spinners of No. 5 had a weiner roast at the picnic ground at the home of Althea and Bill Hughes. They have a lovely spring in the trees back of their home, and it is ideal for picnics. There were 11 present and Exie Fowler said she had never been to a weiner roast, but the others said she surely knew what to do with them. A rain

LITTLE MARY CROSS

Above is a picture of little Mary Cross, Epworth Childrens Home, Columbia, S. C. Little Mary is the daughter of the Wesleyan Service Guild, Montgomery Memorial Methodist Church.

She was born April 25, 1947, has brown hair and brown eyes. Epworth diet appears to be agreeing with Mary.

brought them into the house and the evening ended with fun and music. It was so successful they plan another outing soon.

Martha Ann Reeves was home from Mars Hill for the weekend of Oct. 14. Mrs. Reeves and Miss Venable took her back to school on the 15th.

If you want to know how the major leagues made out just ask Mrs. Ella White. She used her television to keep up with the games and knows all of the big players by name. She is a real baseball fan.

Mrs. Clara Wyatt of No. 3 Mill has been ill in the hospital. She is home now but not yet able to come back to work.

Mr. and Mrs. Ed Hart visited Bobby in October. Bobby is stationed in Missouri.

The J. C. Arnold family spent the weekend of Sept. 30th at Highpoint, N. C., with Samuel Arnold.

Brown Winstead and family of Walhalla, had supper with Mrs. Winstead's sister, Mrs. Althea Hughes on Sept. 30.

L. D. Weathers gave his workers a weiner roast and at the same time christened the new grill he has built in his yard. They report a wonderful evening.

Jimmy Ardis was home the weekend of Oct. 14 from Columbia Commercial College.

Mr. Paul Freeman is out of the mill on account of illness. He may be out for some time, and will appreciate the visits of his friends.

These dresses made by Pacolet High School Home Economic Girls won first prize at the Piedmont Interstate Fair. These creations were fashioned and made by (left to right) Frankie Corn, Jeannine Epting, Betty Winstead, Barbara Ann Morgan, Doris Willis, and Miriam Loftis. For additional details see accompanying story.

Home Economics Class Wins First Place With Exhibit At Fair

The Home Economics girls of Pacolet High School took first place in the Junior Arts Division of the Piedmont Fair recently. Their booth entitled "It's cold, but to school we go" displayed a group of winter school clothes made by the Home Economics club J. H. A. (Junior Homemaker's Association) and was entered along with exhibits of handmade clothing from 18 other schools in Polk, Cherokee, and Spartanburg counties.

The girls were unable to find mannequins for displaying their dresses, so they went to work to make their own. They began with a large piece of plaster board, drew the models to life size and with the help of the Agricultural boys, sawed out the pieces and put them together. Then followed much work with nails, paint, yarn, rope, and at last the ladies were completed, and dressed; they travelled by car to the Piedmont Fair grounds in Spartanburg, where they spent a week, were viewed by thousands of people, and came home with a blue ribbon.

Exhibiting at the Fair is only one phase of the J. H. A. work for this year. Plans include business, social, and program meetings each month, sponsoring Mother and Daughter party, assisting with the Halloween Carnival for the school, sponsoring toys, foods, and clothing drives for needy families of the community, summer camping, and many other interesting activities. Any girl who is a past or present enrollee of a Home Economics Class is eligible to become a member of the J. H. A.

Latest improvement to the Home Economics Room of the high school is the refinishing of the floors, which has recently been completed. Painting of the walls is another hoped-for improvement for this year.

The Home Economics program is planned over a two year period by the girls with the help of the teacher. During this time each girl has training in each of the major areas of Home Economics, namely, Foods, Clothing, Child Development, Consumer Education, The Home and its Surroundings, Care of the Sick, Personal Relationships, and Management. This plan is designed to give each girl a well rounded program of activity so that at the end of her second year in Home Economics, she has a wealth of practical knowledge which will be useful to her and her family throughout life.

PERSONAL ITEMS

Mr. George Boheler and Miss Carrie Boheler of Los Angeles, were guests at the Fuller home in October. Of course we took them on a tour of the mill, for we feel that anyone who hasn't had the opportunity to watch the processing of cotton has missed a great deal.

Home on furlough or weekend visits: Clyde Martin, Roger Freeman, Dennis Hill, Gerald Holmes, Wendell Hodge, Olin Cook, Franklin Weathers, Robert Phillips, Dean Gregory, Billy Bryant, Alfred Coleman, Ivey Kirby, Bob Wood, John E. Vincent.

PFC ROY E. PADGETT
Private Padgett is stationed at an overseas base. He is the son of Mr. and Mrs. C. M. Padgett of Limestone Street.

ROGER K. FREEMAN
This young sailor is the son of Mr. and Mrs. James Freeman and brother of Thomas Freeman, also pictured with this group of servicemen. He is at the U. S. Naval Training Center at San Diego, California.

PVT. THOMAS B. FREEMAN
Private Freeman and young Thomas Freeman are brothers, the sons of Mr. and Mrs. James Freeman. He is stationed in Germany.

BERTHA THOMAS Shows Off Her Pet Caiff
Your friend, my friend, everybody's friend is Bertha Thomas. Bertha raised the caiff she's exhibiting here.

Pacolet Mills Baptist Church

Our Homecoming Day was a success. The different committees that were appointed did their work well. Others who were not appointed volunteered their services and were most helpful. We had fine fellowship and a fine spirit was manifested throughout the day. B. B. Jernigan of Columbia, brought an inspiring message. Then at the lunch hour our women spread a great feast, and there was quite a good deal of food left over.

The musical program was unusually good both at the morning and afternoon services. The solos, duets, trios, quartets, womens' chorus and the specialty selections by the choir were extra good. Several from the choir of the Montgomery Memorial Methodist Church furnished special selections in the afternoon, and also sang with our choir, for which we are grateful.

The officers of our choir are: President, David Walker; Secretary, Miss Merita Fowler; Treasurer, C. T. Holland; Pianist, Mrs. Mary Hodge; Organist, Miss Mildred Holland; Director, Walter Greene.

LAYMAN'S DAY

We observed Layman's Day October 14th, Foye Baker presiding. At the morning worship the men filled all the choir space. Walter Greene sang a solo, the male quartet sang, and the mens' chorus sang some selections. The pastor was introduced and had for his subject: Every Man In His Place.

At the evening worship the men again filled the choir and their voices filled the auditorium with melody. The following made good speeches: John Poole, Devotional Service; Earl Morgan, Responsibility of Fathers; Alfred Parker, The Challenge of the Protherood; and David Walker, Purposes of The Brotherhood.

REVIVAL
We will begin a Revival Meeting the 12th of November. Dr. Frank E. Morris, pastor of the First Baptist Church of Gaffney, will do the preaching. He is an able preacher and is a fine Christian gentleman. You are most cordially welcome to attend these services. You are not only welcome but we urge upon you to attend and worship with us. Services will begin each evening at 7:00 o'clock.

—W. T. TATE, Pastor.

THANKS!

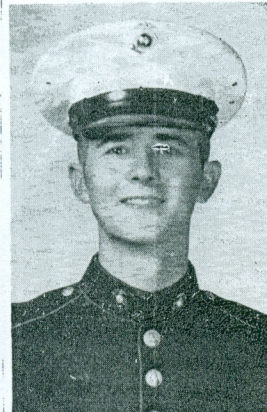

Mr. and Mrs. Billy Howell and relatives wish to take this means of thanking the people of Pacolet Mills for their great kindness at the time of the death of their baby daughter.

BILLY BRYANT
Billy is the son of Mr. and Mrs. Allen Bryant, and is stationed at Seattle, Washington, for embarkation overseas.

"GOOD PALS"
Friends and buddies Jack Wyatt (left) and Billy Welch (right) are shown here at their army camp.

ARMEL DENNIS REVELS
Armel, son of Mrs. Annie Belle Revels, is stationed at Parris Island with the Marine Corps.
