

Air compressor room for humidification and cleaning machinery. (Other picture page 2)

Plant Improvements Are Made

Let's Improve Our Work

For the past two or three years we have been working on a program of improvement in our plants. Some progress has been made but we still have quite a bit to do.

Some new machinery has been installed and more is on order. Included in this machinery is a Ingersoll-Rand air compressor which was recently installed at the No. 3 plant. With modernization and expansion in mind, a new room was built to house all units of air compressing equipment.

This equipment is pictured in this issue on the front page and on page two.

This move made more floor space available for productive machinery in the mill. It also provides more desirable working conditions by eliminating much heat which was generated by air compression.

We are renewing floors where needed at both plants, and in addition to this they are being sanded and finished where practical. This work is being done to preserve the floors, also to provide a cleaner, safer place for you to work.

At this point I would like to emphasize the fact that the cost is tremendous to build and maintain a clean, safe place to work, and without your help it is not possible to keep it this way. We hope that each employee will develop as much pride toward keeping a good, clean place in which to work as you have in the home in which you live. As your contribution to this good cause, please help us by not throwing rubbish on floor. Chewing gum, coffee, milk and soft drink bottles are the most common items we have trouble with

on floors. We are sure you will do your part along these lines, and we will continue to clean up to the extent that our mills will be cleaner and safer than any.

We would like to say a few words about safety. Last year, as some of you know, our accident frequency was terrific. Why? We don't know; perhaps some of you may have the answer. Our machines are well guarded and all safety devices are in working condition, but yet we have accidents. We wonder if each employee is familiar with the hazards connected with his or her particular job. We want to appeal to you to become more accident conscious because we know a safe worker is a greater asset to safety than all devices that could possibly be applied to a machine. We are not going to tell you that we are not interested in the cost of accidents, because we are, but we are more interested in your welfare, health, and happiness.

The year is still young, so let's you, I, and everyone put our shoulders to the wheel and produce a higher quality product, have better production, make less waste, have a cleaner place to work, with no accidents at all.

C. T. HOLLAND,
Superintendent.

Pacoleet Shared In Polio Drive

Pacoleet Mills, as always, shows its sympathetic and generous spirit. The Pacoleet Mills School Polio Drive was sponsored by the fourth grade under the leadership of Miss Isabelle Moses.

Mr. Jack Joyce, a polio victim, came out and spoke at a chapel program. The fourth grade ar-

Red Cross Drive

The 1951 Red Cross Fund Drive is scheduled to begin in the very near future. This year, more than in previous years, increased services of the Red Cross means that more necessary funds will have to be raised to meet the larger budget required to carry on the activities of the organization.

Some reasons for the unavoidable increase in this year's budget are the following:

1. Increased services made necessary by the large expansion of our armed forces.
2. Procurement of blood for the armed forces and for civil defense.
3. Necessary increase in training for first aid, home nursing and nurse's aides.
4. Higher costs of all materials and services as compared with a year ago.

The ability of the Red Cross to meet its responsibilities depends entirely upon our raising the necessary funds. In this period of "unparalleled danger" our Red Cross has the privilege and the opportunity to serve our nation in its hour of need. The slogan for the campaign is "MOBILIZE FOR DEFENSE." This means YOU, YOUR HOME, YOUR COUNTRY.

Red Cross officials stated that, "We are certain that the public will respond generously and continue to support the Red Cross in the future as it has done in the past."

ranged an informative bulletin board with comparative records of gifts for the past three years.

Our entire gift was \$266.26, which is an average of about \$1.10 per pupil. Of this amount the fourth grade, of 33 pupils, gave \$85.43. The gift from the mill of \$559.24 added to the gift from the school, makes a total of \$785.50.

Entertainments Enjoyed At Girls Club Recently

A miscellaneous shower was given at the Girls Club on Tuesday evening of the 13th, honoring Miss Leatrice Kirby. Upon her arrival, the honoree was presented a corsage of carnations. Games and contests of a bridal nature were enjoyed by the guests and Miss Kirby was presented an array of lovely gifts. A valentine motif was carried out in decorations and refreshments. Tasty sandwiches, heart candy, cakes and punch were served by the hostesses, Mrs. Virginia Owens, Mrs. Estelle McGaha, Mrs. Mickie Danner, and Mrs. Minton.

Nancy Loving celebrated her 14th birthday with a party at the Girls Club on February 3. About 21 friends enjoyed the occasion with her. After the young people had participated in several games, delicious refreshments of sandwiches, heart candy, potato chips and coca-cola were served by Mrs. John Loving assisted by Mrs. Ralph Loving.

About 50 friends helped Connie Mabry enjoy her 16th birthday with a party at the Girls Club on February 17. Games and contests were directed by Mrs. LeRoy Pace. Refreshments consisting of chicken salad sandwiches, potato chips, party cakes, heart candy and pepsi-colas were served during the afternoon by Mrs. Bennett, Mrs. Rose Garner, and Mrs. Ira Pace.

Thursday night, February 15th, the Young Peoples Sunday school Class of Montgomery Memorial gathered for an old fashioned chicken stew at the Girls Club. After everyone enjoyed big helpings of stew, games were played around the table. Entertaining skits of "The Dude And His Girl" were presented by Phyllis Teaster and Paul Petty with Mrs. J. T. Gregory giving "The Country Girl In The Silent Movie." Group singing around the piano topped off the evening.

Warren Greene is president of this class and Eddie Wells is teacher.

Organizing for Scout Troops

Each of our local churches is to sponsor a Scout Troop at Pacolet Mills. Scout council members from both churches are grouped in the pictures. The Montgomery Memorial Scout Council, at top, is composed of, left to right: Eddie Wells, Jesse Campbell, I. W. White, Otho Parker, Rev. J. T. Gregory, and Frank Harrold.

The lower photograph shows Baptist Church Council of Kansas Goforth, Lewis Wilkins, Ralph Hogan, Lewis Jones, Foy Baker, Earl Morgan, Alfred Parker, and Rev. W. T. Tate.

Peoples And Places

By MISS BELLE FULLER

We are grateful to the following for contributions to the Cemetery Fund: Mrs. Christine Patrick Willis \$5; Harley Holmes \$2; Ruth Holmes \$2; Elbert Holmes \$1; Mr. and Mrs. Ernest White \$10; Mrs. Fannie Stockdale \$5; and Bynum Tessner \$2; Mrs. Walter Parker \$5; and J. T. Jones, Jonesville, Virginia \$5. We are now within \$350 of our goal for the year, but we feel that we are sure to get it, especially if we can get folks to visit the Cemetery and see the improvement.

Mr. and Mrs. Horace Loftis and young daughter of Greenville were guests at the Petty-Henson party.

Mrs. Pantha McMahan is back from the hospital after a serious illness. She will have to remain in bed and very quiet for some time and will be delighted to have her friends visit her, for staying in bed can be a very lonely business.

Mrs. B. S. Thomas has been in the hospital for surgery. She will probably be at home when you get this paper, but let's all remember how kind and thoughtful "Bert" is

and show her that we all love her and wish for her a speedy recovery.

Paul Freeman has undergone a very serious operation and at this writing is still in the hospital. We hope he will come through nicely.

Mr. A. D. Madge has been on the sick list. We hear he will be out in a short time. We miss him about the office, and I am sure the office force will feel his absence keenly.

Rev. and Mrs. Jno. Knight and little daughter, Margaret, of Durham, N. C., spent last week with Rev. and Mrs. W. T. Tate. One of the interesting events of the week was a joint birthday supper given Elizabeth (Mrs. Knight) and Virginia (Mrs. Ed Smith of Goucher) by Mr. and Mrs. Tate.

Robert Paget is home on furlough from Ft. Bliss, Texas. He is being transferred to Fort Lee, Va., and is now a sergeant. His wife and children are living here. They have a new baby son, born while Robert was on furlough here.

Jack Mabry, son of Ivan and Almada Mabry, is stationed at Ft. Carswell, at Fort Worth, Texas. He writes that there is a lady living there who is 80 years old. She has five cars and each Sunday she sends to the camp and gets a group of the boys, takes them to church and then takes them to her home for dinner. I can't think of a nicer thing to do for boys away from home.

Fulton Tate is stationed at Ft. Sill, Oklahoma. Am not sure that all of you boys know he is in the service.

Susie Allen has a five room house now. She sent me word that she didn't have her own home but she was just as proud of it as could be. So I went around to call on Susie and Lawrence and they do, indeed, have a lovely home.

Joanne, the young lady daughter, and Mrs. White, have a beautifully furnished room with twin beds and pretty draperies, as neat and dainty as can be.

Susie and Lawrence have their room furnished with blonde furniture; the drapes had a yellow keynote.

Jess has his own room, and the kitchen is lovely in enameled furniture and blue and white draperies at the windows. The whole house is light and airy and after

being crowded in three rooms I am sure they are so happy in their new home.

We were by to see Ernest and Carolyn Brown at Camp Croft. They have a nice Groceria with an excellent market, and are doing a nice business there. We think about the smartest thing Ernest ever did was to ask Carolyn to marry him.

Ernest is one of our boys and is definitely making good in his business. He is always interested in the folks at Pacolet Mills and says "Come up and see me sometime."

Louise and Bob McKeown are still doing a lively business in the flower shop they are operating in their home.

Louise says they expect to have a full line of Easter flowers, including potted geraniums, begonias, and Easter lilies.

We are so glad they are able to continue this work that they love so much.

Mrs. Blanche Arnold has been doing a wonderful job running Victor Inn as a pinch hitter for the past several weeks. Of course we know there is nothing Blanche can't do if she puts her mind to it, but it seems she is just a natural for hotel work, and all guests at Victor Inn say they don't care if no change is ever made if they can just have Blanche.

We understand that the new hotel man, a Mr. Crocker from Charlotte, N. C., is taking over the first of March.

Mr. Tom Freeman who was critically injured when a car ran into him several weeks ago, is out of the hospital and is staying with his son, Elbert, at Arcadia.

Mrs. Joe O'Neill is in the hospital for surgery at this writing. I know she is sick but I'll bet anything she and Bertha Thomas keep the whole floor laughing.

Mrs. Ellen Bryant is in the hospital suffering from a back injury.

Mr. Carey Loving is home from the hospital but is still in critical condition.

We hear that Alfred and Anne Parker are remodeling their home in the Goucher Community and will move into it in March. That's another place we must visit.

Miss Leatrice Kirby, daughter of Mr. and Mrs. Milan Kirby, and Mr. George Phillips, both of Pacolet Mills, were married on Feb. 17 at the home of Rev. B. H. Tucker at Union.

Rev. Tucker married Mr. and Mrs. Kirby (and also baptised Leatrice) so he is a very dear friend of the Kirby family.

The bride wore a pink spring suit with navy accessories and wore a white orchid corsage. After the ceremony the young couple left for a short wedding trip, after which they will be at home at Pacolet Mills.

Mr. and Mrs. Otis Self of Gaffney are the parents of a baby son born on Feb. 16th. This makes Mrs. Corrie Gregory a grandmother. Isn't that nice?

Billy Rice was home for the weekend and brought a Navy friend for the visit. He is expecting to ship out soon.

Billy Loving and Eugene Loving are both based at San Diego. Eugene wrote home to Daddy to ask him to write Billy and tell him to get in touch with Eugene. Neither knew how to find the other.

Dennis Goforth is on a transport and completing his 5th trip to Korea. Guy and Mary have three sons, and that's the story. That's just about giving all they have to their country.

Fred Bowen, son of Mrs. Grace Bowen, and Miss Amanda Ayers of Whitney were married in December. They will live in Whitney, and Fred works in the plant there. He is going back to Veteran's School to finish his high school education.

Had a nice letter from C. B. Phillips. He says the home paper and church letters definitely make a bright spot in his life. He also says, "Tell Daddy there are a lot of good looking nurses here."

Mrs. Harold Holmes and Miss June Dunnell expect to go to Great Lakes Training Station early in March to see Gerald Holmes graduate from Boot Training. Miss Dunnell is a friend of Gerald's.

I went into the carpenter shop the other day and saw a most unusual sight. A piece of plywood about 16 by 20 inches had been painted and then the figure of a girl in a bathing suit had been painted on the plywood with ordinary house paint. The shading and details of painting were lovely. The artist? — Defoy Gallman.

We have depended on Defoy a lot since his young school days for lettering posters, etc., but I hadn't seen anything quite like this picture. It makes us wonder if Defoy had the advantage of expert training if he wouldn't go far—probably in the field of commercial art.

Mr. and Mrs. J. W. Waters and Mrs. Wiley Moore of Spartanburg, were guests of Miss Moselle Huff at Victor Inn on February 13th.

Mr. Ernest Stalworth and Mr. Bill Ligon and Sara went on a fishing trip to Florida the week of February 12th.

INFLATION

A man who ran a small chicken ranch needed wheat for his chickens, so he offered to work for a farmer one day a week. He used the five dollars to buy wheat from the farmer at one dollar a bushel. Every day he worked he took home five bushel of wheat.

One day the man said to the farmer, "I've got to have more money for my work; I want six dollars a day."

"I know how it is," said the farmer, but my expenses are going up, and I've got to have more money for my wheat. Starting today it will cost you \$1.20 a bushel.

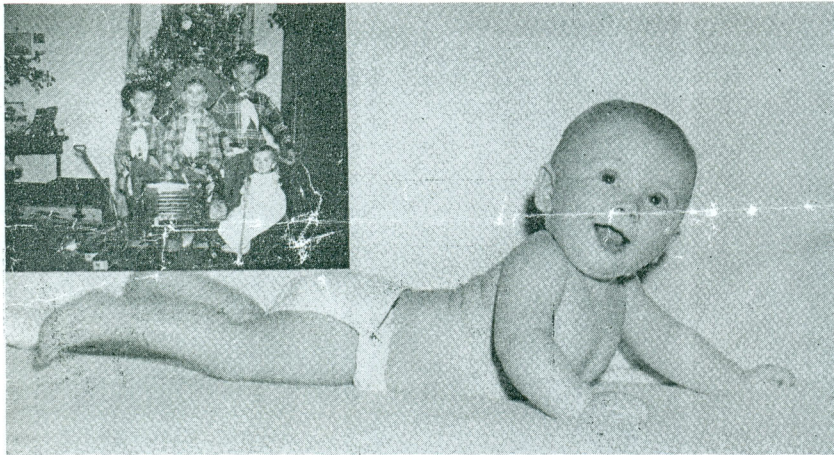

So the man worked one day a week for \$6 and took home 5 bushels of wheat for his earnings. After awhile the man made further demands until he was getting \$10 for his day's work and the farmer raised his price to \$2 a bushel.

One day the man with the chicken ranch said to his wife, "Isn't it wonderful? I'm getting twice the wages I used to get!" And the farmer said to his wife, "Isn't it wonderful? I'm getting twice as much for my wheat as I used to get!"—Sunshine Magazine.

BROTHER, THEY CAN KEEP IT!

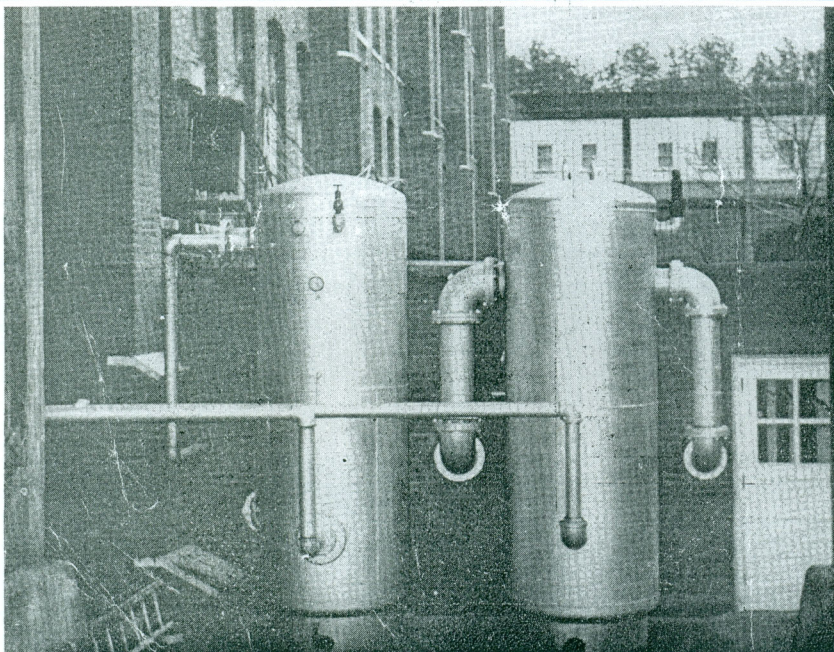

Our English cousins pay at least 70 cents for a pack of cigarettes, and pay out almost half of their wages in income taxes. They have Socialism . . . A pack of cigarettes costs \$1.08 in Russia, a loaf of white bread costs 68 cents and butter to spread on it costs \$5 a pound. They have Communism, and . . . (voice from the side-lines: — "Brother, they can keep it!")

Threat of punishment will make a man do many things. But he'll do them better for The fruit that freedom brings!

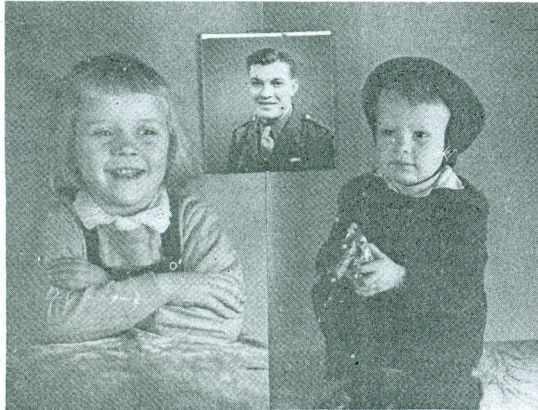

Rodney Earl Harmon, 4½ months old son of Mr. and Mrs. Earl Harmon, is "barely" catching onto a few eye catching tricks. He is the grandson of Mr. and Mrs. Boyd Harmon of Pacolet and Mr. and Mrs. J. H. Henderson of Cowpens.

The western quartet is composed of Donnie, Ray, Gary and Patricia, the children of Mr. and Mrs. DeFoie Lanham of Charlotte, N. C. Their grandparents are Mrs. Myrtle Lanham and the late Mr. Will Lanham. Mrs. Lanham is the former Miss Juanita Secter of Charlotte.

AIR RECEIVING TANKS FOR NEW PLANT EQUIPMENT

Some Like The Army --- Some The Navy

WAR SEPARATION: Mr. and Mrs. William S. "Decky" Harvey are the parents of 5 year old Tollyer Gale Harvey and 3½ year old William S. Harvey, Jr., shown here. The inset pictures "Decky", now serving with the army in Korea. He is the son of Mr. and Mrs. Clarence Harvey of our community.

M/SGT. HERBERT SCALES
Now serving in Korea, Sgt. Scales says of this picture: "It's no good. I have on so many clothes that I look like a mule." He is the son of Mr. and Mrs. Herbert Scales. While he is away, his wife, Charlotte, is with her parents in Texas.

PVT. HUBERT DORMAN

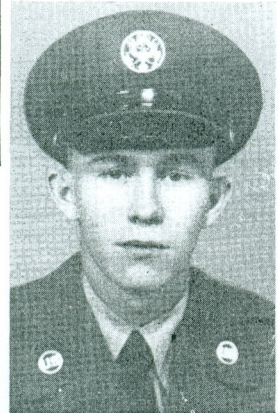

Herbert recently visited his sisters here, Mrs. Arthur Hodge and Mrs. LeRoy Motts, while on furlough from camp in Washington State. He worked at the local Community Cash before entering service. He says that he is delighted to receive "The Neighbor" and get the news of so many of his friends and acquaintances living at Pacolet Mills.

You can't be safe and sorry at the same time!

SHELBY KIRBY

Shelby is a navy man, now stationed at Seattle, Washington.

C. B. PHILLIPS

C. B. is stationed at Westover Air Force Base in Massachusetts. He has been in service since the first of December, likes the work fine and hopes to get home on furlough before being assigned to duty after two more months of basic training. He is the son of Mr. and Mrs. Bill Phillips.

DEAR LORD
LEST I CONTINUE
MY COMPLACENT WAY
HELP ME REMEMBER
SOMEWHERE OUT THERE
A MAN DIED FOR ME TODAY.

KNOWING THIS
I THEN MUST ASK
AND ANSWER—
AM I WORTH DYING FOR?

Wedding Bells Ring For Miss Henson

Miss Carey Henson, daughter of Mr. and Mrs. C. T. Henson of Drayton, became the bride of Mr. Roy Petty of Pacolet, in the church parlor of the Drayton Baptist Church on February 17th.

Rev. J. T. Gregory of Pacolet Mills, officiated in the presence of the families and a few friends.

The bride wore a navy blue spring suit with white accessories,

and a corsage of gardenias.

The parlor had an improvised altar banked with greens and baskets of white snapdragons and gladioli stood on either side. Branched candelabra added to the beauty of the altar arrangement.

Mr. Foy Baker sang "In The Garden of Tomorrow," and "The Lord's Prayer", accompanied by Miss Phyllis Teaster.

Miss Henson had as her only attendant Miss Margaret Henson, and Mr. Petty entered with his brother-in-law, Mr. Sam Clark.

A reception was held at the bride's home after the ceremony and the young people left immediately for a short wedding trip.

Miss Henson attended Spartanburg High School, and is a graduate of the Mary Black Clinic. She has been working as Industrial Nurse for Pacolet Mfg. Co. for the past two years.

Mr. Petty is the son of Mrs. John Petty of Pacolet and is connected with Pacolet Mfg. Co.

Mr. and Mrs. Petty will make their home at Pacolet Mills and will continue in their work there.

One of the most enjoyable parties of the year was the shower for Miss Carey Henson and Roy Petty at the Girls Club on Feb. 8th. We departed from the general rule and invited the boys too, and the entertainment was put on by both boys and girls.

Don Lee and Mr. Blackwell played saxophone and piano duets; Mr. Foye Baker sang, accompanied by his daughter, Charlotte, and then on request, Foye and Jimmy Hodge sang together, and that was lovely.

Patsy Allen and Mrs. Mary Watson gave readings which were

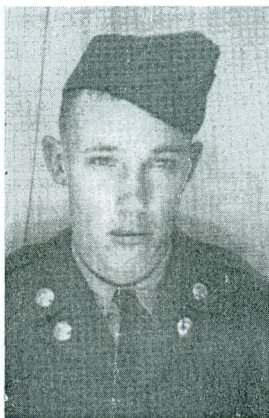

CLYDE ROOK

Clyde, on duty in Korea, is the son of Mrs. Essie Rook.

PVT. BELTON COOK

Pvt. Cook went into the service in December and is now with the Carwell Air Base at Fort Worth, Texas.

RUFUS KIRBY

Rufus is in Georgia at Camp Steward.

Community Baptists Busy With Plans For Revival Crusade; Other News

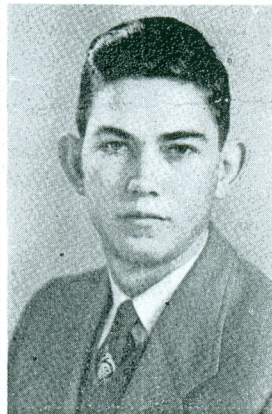

Recently a Brotherhood was organized at our church. There were forty-four men present. Chas. Lowery and Foye Baker and others prepared and served an oyster supper. Mr. Charles Lea of Spartanburg, made an inspiring address. The quartet, consisting of Walter Greene, Richard Baker, Foye Baker, and C. T. Holland, sang some selections. The following officers were elected: John Poole, President; Foye Baker, First Vice-president; Alfred Parker, Second Vice-president; David Walker, Third Vice-president; Walter Greene, Choirster; Lewis Wilkins, Secretary-Treasurer.

We are looking forward to the Evangelistic Crusade, when the Baptist Churches east of the Mississippi River, in the Southern Baptist Convention will at the same time be engaged in revival meetings. There are nineteen thousand Baptist churches in this territory and practically all of them will be engaged in revival meetings at this time. The date of these meetings is March 5-April 8. The meeting at our church will continue only one week, Sunday evening March 25, to Sunday evening April 1. Rev. W. E. Abrams, pastor of Hampton Park Church of Charleston, will do the preaching. He is a fine gospel preacher. You are not just invited to attend these services—you are urged to do so.

Sunday morning, March 25, which is Easter Sunday, the choir will have charge of the 11 o'clock service and will render appropriate music.

As a prelude to the coming revival we have just completed a study of "Soul Winning Doctrines," a book by Dr. J. Clyde Turner. We are now taking "The Bible and Prayer," by Dr. R. G. Lee. We are using the mid-week hour for these discussions and a lot of interest is being shown.

—REV. W. T. TATE,
Pastor.

NED HOLMES

Ned is in training at the Great Lakes Naval Station. He is the son of Mr. and Mrs. Harvey Holmes.

P.F.C. LESLIE NEAL

Leslie worked in Mill No. 3 before leaving for the army.

much enjoyed. A hospital and a hillbilly skit were presented, and these two very humorous skits gave the guests the big laugh that lifts a party out of the ordinary and makes it an occasion.

Roy and Carey received many lovely gifts, and now they need that house so they can use those things — and they can just look for us to drop in for supper most anytime.

On February 3rd Mrs. Paul James of Spartanburg entertained for Miss Henson at an afternoon party. Fifteen guests were present and brought gifts of linen to the bride elect.

Mrs. C. L. Hall of Spartanburg entertained for Miss Henson with a kitchen shower on Jan. 22nd. Twelve guests were present and brought colorful gifts to make housekeeping a pleasure.

A breakfast was given at the Franklin Hotel on Feb. 10, honoring Miss Henson. The hostesses were Misses Annie Lee Langford, Ruby Brown, Isabel Moses, M. C. Venable and Hazel Gallman. Places were laid for 14 guests. Miss Carey was presented with an automatic coffee maker.

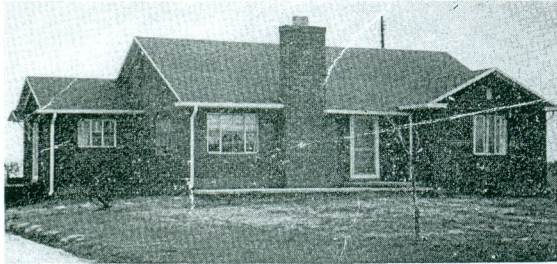

Miss Carey and Mr. Petty were entertained at a dinner at the home of Mr. and Mrs. Horace Loftis in Greenville on Feb. 10th.

THANK YOU!

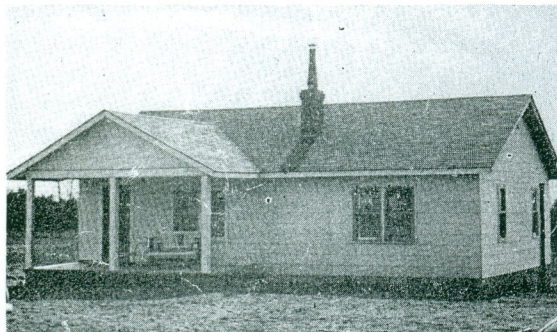

Kathleen Hodge, who suffered a broken ankle recently, wishes to say "Thank You" to all her friends in appreciation of the many kindnesses shown to her after the accident.

There's dividends in safety. Always be safe and you'll find it pays in many ways.

Our Homes ... We're Proud of Them

Mr. and Mrs. Pat Kirby have an unusually attractive brick home located on Pacolet Highway—as seen here. Pat works in Weaving No. 3 and Mrs. Kirby teaches at Pacolet.

We visited the ADAM MOTTS recently. They have a lovely home and it was built with local talent too. It's amazing how our people get together and help each other when a project as big as a home is under way. I think we all, in our hearts, have the home building instinct and when there is a place to edge in with hammer and saw it is a prospect none can resist.

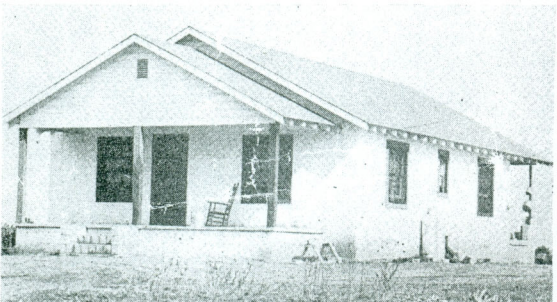

So many of these new homes are built with home talent, and they are so well built that they look like professional jobs.

Adam and Ollie have a large living room, three bedrooms, and a large kitchen and dining room.

It is a real home, too, for Beverly had a bunch of youngsters in and they were playing the piano and singing and having a wonderful time.

ALLEN HOME

JONES HOME

We visited Lorena Allen and Ruth Jones. There are two girls who have made a determined effort to have their own homes and have done so remarkably well till it's amazing. They are near neighbors, in fact in yelling distance of each other, as I found out when Lorena called to ask Frances Jones if her mother was home.

The Allens bought their home ready built but not finished inside and they have been working on it ever since. They completed their bathroom and are planning other remodeling for the inside as they can get to it. They are having a lot of fun as they go along, but then no one could be around Lorena without getting a lift from her happy nature.

Ruth borrowed money and built her home and has a nice cement block home, convenient and nicely furnished, and a happy place for their little family. Both the Jones and Allens have nice garden spots and raise vegetables for the family.

Jack called Ruth from Honolulu Sunday, February 18. Everyone

News Notes From Montgomery Memorial Methodist Church

Our church has been the scene of many activities during the past several weeks with various organizations holding special events for the betterment of the church and the community we serve.

Some of the classes of the Sunday School sponsored Valentine Parties in the Social Hall of the church during the week Feb. 11-18. These social affairs were well attended and enjoyed by the members of the different classes.

The Wesleyan Service Guild presented a humorous program of entertainment in the Social Hall of the church on Thursday night, Feb. 1st. The presentation was under the title "Old Fashion Choir" and was greatly enjoyed. The program consisted of humorous music, singing, skits and impersonations.

Some months ago the Trustees and Stewards under the leadership of the Pastor, launched a Church Building Improvement Program which continues with present plans to install Cellotex and new light fixtures in the Social Hall, replace the clear glass with stained glass in the windows of the Sunday School building and the painting of a large portion of the interior of the church building.

The regular meeting of the Wesleyan Service Guild was held in

the form of a visit to the Bethlehem Center in Spartanburg on Monday night, Feb. 11. The members of the guild carried cans of milk which were donated to the Center to be used in the work of providing meals for the colored children the Center serves.

During the past month our church has paid for the support of a native minister in India for the period of one year. The Board of Missions of the Methodist Church has assigned one of the Indian Ministers to our church as our "Pastor Abroad." He has already sent information and pictures concerning the work that he is doing in India by the help of our church.

We have also recently made a donation to the Gollyghtly Methodist Church of Pauline, S. C., for the purpose of helping this new church to pay for the church building.

These gifts from our church were made as Advance Missionary Specials in connection with the Advance Movement of our Church.

A new organization has been set up recently in our church and is known as the Spiritual Fellowship Committee. The committee is composed of ten men and women whose work will be to minister to the men in service from our church by writing to them and by

encouraging those of us at home to pray much for their welfare.

Temperance Day was observed in our church on Feb. 4th. The Pastor brought a special message on the subject "Alcohol — Hell's Crocodile." The service was well attended and all present showed much concern about the havoc the liquor traffic is playing in our nation at this very critical time of international strife. About two hundred persons stood to their feet at the close of the service pledging themselves to totally abstain from having anything to do with intoxicating beverages. This response from our people was thrilling and encouraging.

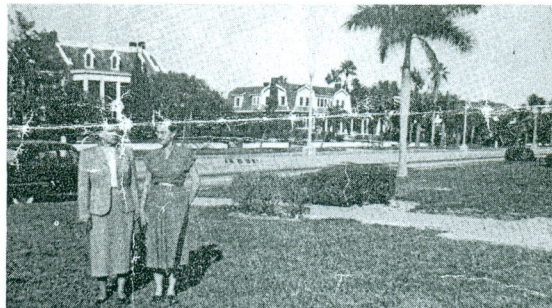

At present we are completing plans to sponsor a Boy Scout Troop and the following men from the Board of Stewards have been elected as Scout Committeemen, Frank Harrold, Otha Parker, J. E. Campbell, Jr., Eddie Wells, and I. W. White. Alton McGraw has been elected as Scout Master. In the near future the troop will be organized and the cooperation of all parents who have boys within the scout age is earnestly requested.

The Week of Dedication was observed during the week of Feb. 18 to 24 with special services being sponsored by the various organizations of the church. The pastor brought a series of messages during the week based on the miracles of our Lord.

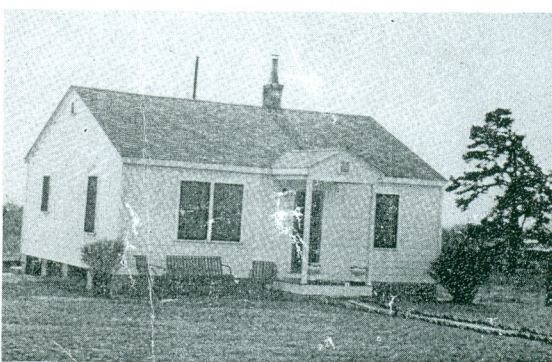

We would like for the people of Pacolet Mills, and surrounding community to know that special Revival Services will begin in our church on Sunday, March 11th and will continue for one week or ten days with our church choir in charge of the music and the Pastor doing the preaching. We sincerely and earnestly request all the people in general to attend these services.

Attend, Work, and Pray for a revival in our community.

Vacationers In Land Of Sunshine

Mrs. Grace Lowery and Mrs. Vergie Hendley spent the week of January 19th in Tampa, Florida, visiting Mrs. James Hendley. They report a wonderful time and say they visited a number of spots of interest during their stay, among them Silver Springs, Sarasota, Clearwater and Lakeland. Orange groves and the famous Ruskin Vegetable farms were viewed also.

The L. V. ELDERS had just moved into their new home a few days before but we took a chance on calling on them. Yes, the curtains were up, so it was quite proper for us to call. In fact the house was so well settled that it looked as though they had been in for a month instead of a few days. They have a four room house with bath, and all conveniences, and that is plenty of room for L. V. and Marie.

By the way, the thing that strikes me most forcibly about all these new country homes is that everyone has running water in the house, water heaters, lovely bathrooms and beautifully furnished kitchens. They are well planned as to windows and closet space, and each family, while in the new homes for only a short time, is planning on how they are going to beautify the grounds.

will be interested to know that Jack is fine.

A telephone is an outside touch which most of these new country homes now have.

I plan to make another tour of these places in garden season, for the farmer in me always looks out to see what is doing on the farm yards. I think this year especially it is going to be important for our families to raise all the food stuff they possibly can.

Bowling Alleys Are Coming To Pacolet

The commotion around the entrance to the A. A. Building since Wednesday of last week has been caused by the arrival of seven lanes of duckpin bowling alleys, and full equipment for the operation of a modern bowling center in the old gymnasium.

Mr. W. L. Greer, who owns and operates a chain of bowling centres, is supervising an installation crew that is working feverishly to finish their work, so that the bowling center can be opened soon. The opening date will be announced as soon as the installation is completed.

John C. Gault Family Sends Card of Thanks

The family of the late John C. Gault wish to express their thanks and appreciation to the churches and their organizations, the community chest, Boys' and Girls' Scouts, Dr. R. D. Hill and his co-workers, and to everyone for the many deeds of kindness and expressions of sympathy extended to them during the illness and death of their beloved husband and father.

Carroll Brown Family Give Thanks for Help After Home Lost by Fire

To The People Working In Pacolet Mills: Having our home destroyed by fire Christmas Day was a very sad experience, the loss brightened only by the kind and sympathetic people of Pacolet and neighboring communities. Truthfully, words can never express our appreciation for the money, clothes and household things you sent us. We can only humbly say "Thank You All So Very Much!"
