

**NOTE:** In presenting this Mother's Day edition of The Neigh, no attempt was made to select the "best" mothers. We selected only a few at random, and we honor all our blessed mothers with equal love and affection.—The Editors.

There will be many gatherings like this on Mother's Day, Sunday, May 13—

Mrs. Carrie Fleming is the mother of 10 children and the family composes this group. Left to right on the back row, they are Charlie Fleming, T. E. Fleming, Vernon Fleming, Lawrence Fleming, Jim Fleming; left to right on front row, Mrs. Marie Toney, Mrs. Katherine Cook, Mrs. Mary Loving, Mrs. Gena Mulwee, Mrs. Edith Metz, and — guess the identity of the seated person.

The Fleming family has lived here and in Union County all of their lives and, in fact, in the same house in Pacolet Mills for 34 years. Mrs. Fleming worked in the Mill for a short time years ago and found that, with her large family, she didn't have time for outside work.

When we think of that family, we realize what a very good job she did in raising them. There were

10 children of whom all but Edith, who is now Mrs. Jeff Metz and lives near Boiling Springs, live here. Today, Mrs. Fleming has 28 grandchildren and 8 great-grandchildren. Mr. W. F. Fleming passed away in 1941 when all the children were grown.

"Miss Carrie" at 71 years is a serene contented little woman, proud and rightfully so of her fine family of sons and daughters.

## White Trojans Expect To Win Many Games

Baseball fans are getting season conscious. You'll hear this sports topic discussed quite frequently as the 1951 season opens, so let's all give our home team our full support.

The Spartanburg County League got under way April 18 with eight teams represented in the league. They are as follows: Mills Mill, Saxon, Jackson, Jonesville, Chesnee, Glendale, Arkwright and Pacolet.

The Pacolet Trojans are planning to field a strong team again this year. The team is composed of the same familiar faces that played last year. They got off to a good start by winning the first two games of the season — making them tied for top with Jonesville. Mr. C. T. Holland, Mill Superintendent, threw out the first ball of the season.

The team will be managed this

## Community Chest Is Your Friend Too

For several years at this season we have been called upon to contribute to a cause which we think is most worthy—Pacolet Mills Community Chest.

Since man began to inhabit the earth it is evident that one person has been somewhat dependent upon another. Even great nations are dependent on other nations and would cease to be great were it not for the aid from others. Especially is this true in time of disaster, distress and emergency. History teaches that man is blessed in order that he too may be a blessing.

During the infancy stage of textiles in our community, there was necessity for the employees to contribute to material relief of others. An employee earned 25c or less per day. Of course this was not an 8-hour day—the working day started before daylight and continued after dark. Life insurance had been introduced but was not widely known nor accepted. Often when there was a death it was necessary to canvass the mill for money to defray funeral expenses which amounted to \$50.00 or \$75.00. This amount seems small but when compared to the earnings of that time it was quite a sum. Later, people learned that for a few cents a week one could get Life Insurance for this purpose which plan is widely used today.

The Community Chest does not contribute to funeral indebtedness but it has done much to lighten the burden of fellow-workers who for various reasons could not buy medicine, food, clothing, fuel, electricity, etc.

Doubtless you are asking "What has history to do with the Community Chest?" The point is that if our forefathers could help those in need and bury the dead with their small earnings we can also do our share toward those who are in need of our help. Today the average rate per hour in our plants

season by Lynwood F. McMackin who has played for the last 15 years on the Pacolet team. This experience should make him an excellent manager. It is rumored that when "Mac" began playing baseball in 1936, as a first baseman, he struck out four times in the first game. It would have been too bad for "Mac" if they could have found someone to take his place that day.

## We Three

WE THREE

Mr. and Mrs. Robert Robinette and young daughter, Susan, appear here. They are living in Chicago where Robert is employed by the Crane Company and attends school also. He is the son of Mr. and Mrs. Loyd Robinette.

## Just Married

Mrs. Donald Bledsoe, the former Miss Frances Riding of the Carding Department, was married on April 14 at Startex with Rev. Bruin performing the ceremony. Mr. and Mrs. Bledsoe are making their home in Spartanburg.

## FLU POSTPONED BIRTHDAY PARTY

Elaine Hogan, daughter of Mr. and Mrs. John Earl Hogan, had her birthday party all planned for Saturday afternoon, March 24th, when all of a sudden she came down with flu. Of course she could not attend her party, but the little guests came on to the club anyway and were entertained by Elaine's mother. She served delicious refreshments of birthday cake, sandwiches, Easter eggs and punch.

Mother's Day, Sunday, May 13.

## HER THIRD BIRTHDAY

In this picture, little Dianne Pearson, daughter of Mr. and Mrs. Mauldin Pearson, is celebrating her 3rd birthday with a party held at the Girls Club on March 22nd. Many of Dianne's little friends called to enjoy the party with her. They were Sylvia Pace, Dianne Seales, Barry Ellison, Phillip Cook, Steve Goforth, Glen Pace, Lynn Cook, Jackie Lemmonds, Mickey and Wayne White, and Earl Queen of Jonesville, S. C.

**Another gathering where Mother is the central point of interest—**

Seated center above is our beloved "Granny" surrounded by her sons and daughters who are Mrs. Bert Thomas, Mrs. Estelle Valentine, Mrs. Mattie Kirby, Frank Harrold, Roy Harrold, Mrs. Hassie Mae Wells, Bill Harrold, and Mrs. Thelma Hodge.

The Harrold family has lived continuously at Pacolet Mills since moving here in 1909. During the intervening years Mrs. Harrold, one of our honored representative mothers, has been a friend to everyone and wears well the affectionate title of "Granny" which we have bestowed upon her.

She has 8 children, 22 grandchildren, and 27 great-grandchildren. All of the children live in this community still with the exception of Roy who is overseer of Charlie Murph's farm in Union County. Although Mrs. Harrold never worked in the Mill, she was interested in every phase of community life. She made a real home for her children, was one of our first graduates in Home Nursing, and was always ready to go to a neighbor in sickness.

Unlike many of the older generation, Mrs. Harrold didn't cling to the old fashioned ideas but put every

new thing she learned into practice. She ruled her household like a matriarch of old and while a happy time was always had at home, when Mama said step the children stepped and no nonsense about it.

After Mr. Harrold's death in 1930, she kept the home until all the children were in homes of their own. A daughter, Mrs. Estelle Valentine, and a granddaughter and her husband, Mr. and Mrs. Othar Parker, lived with her at home until they built a lovely new home where Mrs. Harrold now lives with them.

We are very proud of Mrs. Harrold and her fine family of children and feel that her contribution to society has been so great that the influence of her life will be felt, not for years but for generations.

**MRS. ELLEN BRYANT**

Mrs. Bryant, who lives on Limestone Street and recently retired at the age of 66 years, has lived in Pacolet Mills for 28 years and raised her family here. She has 4 children and 6 grandchildren. The

**MRS. ELIZABETH HORNE**

Mrs. Horne is one of our "oldtimers," having lived in this community since 1912 and working many of these years for Pacolet. She has been a shut-in for the past 8 years and is now bedfast with arthritis.

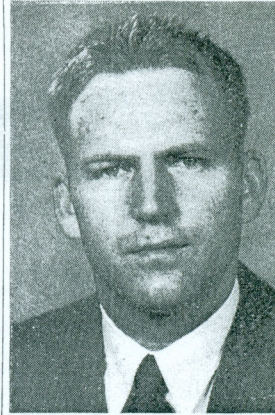

She is the mother of 3 children and has 6 grandchildren and 5 great-grandchildren. Mrs. Horne lives with a daughter, Farline, who is employed here, and with Othar, a son in the nearby community where they own their home.

Still very cheerful and entertaining although in pain most of the time, she derives a great deal of pleasure from the television set that Farline gave her for Christmas. Farline says that her mother never misses a fight or boxing match and will watch television for hours.

children are Mrs. Minnie Ingle, Mrs. Eunice Reynolds, Walter Bryant, and Fred Bryant.

She has worked steadily through the years to keep her family together and today has just cause to be very proud of them all. When times were bad, Mrs. Bryant took in sewing and did this work at night after having worked in the Mill daytimes, thus striving to provide the bit of extra money necessary to make ends meet.

**Mr. Anderson Paid Tribute**

Many sad things happened in our community during the month just past, but one of the saddest was the passing of our former president and dear friend, Mr. D. W. Anderson.

During his presidency every person who worked for Pacolet knew him pleasantly. He was never too busy to speak to each worker as he passed and was interested in the things that concerned them. In giving every advantage that he could to our employees, he made working conditions inside the mill much better and improvements along other lines during some of the hardest years that we have ever had.

Mr. Anderson was always pleasant and even tempered and worthy of the trust and admiration placed in him by the employees.

The community expresses sympathy to the Anderson family.

**WALTER TATE**

Mr. Tate passed away early in April. For a number of years "Buddy" was employed at the Service Station.

**BIRTHDAY PARTY FOR MRS. FISHER**

A surprise birthday party was given for Mrs. Austin Fisher by her family and relatives on April 16th.

Dinner was served al fresco, being served on tables in the pine woods adjoining the Fisher home. Mrs. Fisher was lured away from home and on returning the party was all set, with the guests bringing picnic baskets and gifts for the honoree.

Among the guests were Mr. and Mrs. Robert Owens and family of Gaffney, Rt. 5, Fannie Belle Manis of Jonesville, Mrs. Wilkes Harris and Miss Rebecca Harris of Pacolet Rt. 1, Mr. and Mrs. Earl Baldwin and son, Mr. and Mrs. Jim Peeler, Scott, Haskell, and M. C. Peeler, Mr. and Mrs. Boyce Peeler, and Mr. and Mrs. Marion Peeler.

It was a great day and a great family gathering and Mrs. Fisher will enjoy the memory of this occasion for a long time.

**CARD OF THANKS**

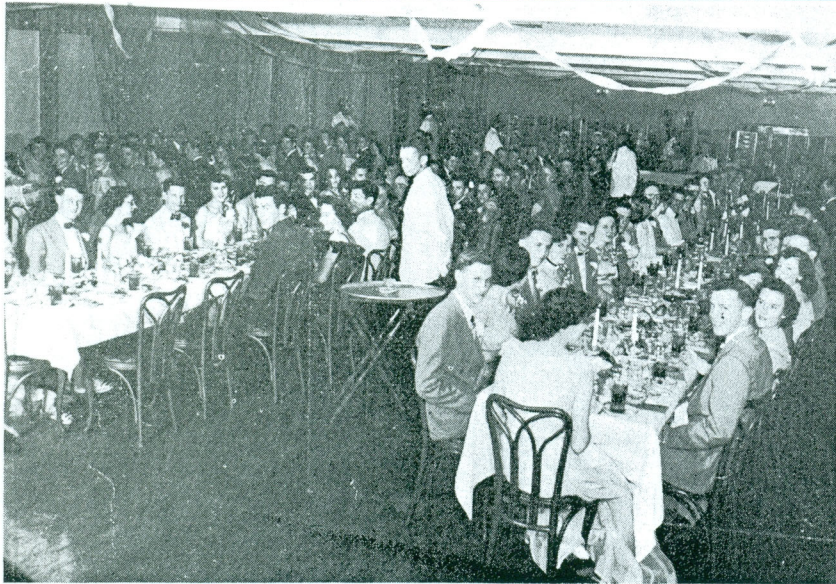

Elizabeth Williams, wife of Horace Williams who died following an injury, and her family, want to thank their friends and neighbors for the cards, visits, and food sent them during their bereavement.

Elizabeth says she can't write to all of them, but is grateful for the kindness of all the community and wants to take this means of saying — Thanks!

In February of this year he was promoted to cadet 1st Lieutenant in the Corps of Cadets of the Citadel. Cadet officers are appointed on a basis of leadership, ability, academic grades, conduct, extracurricular activities and athletics.

Mother's Day, Sunday, May 13.

## Juniors Honor Senior Class With Banquet

Using the Dutch motif as the theme for the occasion, the Junior Class of Pacolet High School honored the Senior Class, the Faculty members, and the members of the School Board of Trustees with the traditional banquet in the Ballroom of the Franklin Hotel on the evening of April 21.

Jim Parrish, vice-president of the Junior Class, acting as Master of Ceremonies, set the atmosphere for the occasion by his humorous introductory remarks—after which he introduced Margaret Anne Morrell, who entertained the guests with a tap dance. Jean Robinette, president of the class, then welcomed the crowd with "Tiptoeing

Through the Tulips". Following this, Frances Bryant rendered a vocal solo by the same title.

At this point in the program Superintendent Parrish gave the Invocation, after which a barbecued chicken dinner was served. At the conclusion of the dinner the program was continued in the following order:

Peter of the Zuider Zee — "Life-saving Dykes" — Bobby Rice.  
In an old Dutch Garden — Sara Hughes, David Hottel.  
Jan of the Polder Land — "In the Land of Windmills" — Kenneth White.  
Little Dutch Mill — Solo — Edith Martin.

Hans of Rotterdam—Prattle of a Nosey Dutchman—Gene Brown.  
Little Wooden Shoes — Joan Robinette, Gene Brown, Patsy Reeves, James Hyder.  
Hilda of the U.S.A. — "Unto Our Hosts Dank U" — Hilda McCravy.

Harbor Lights — Patricia Phillips.  
Down By The Old Mill Stream — Quartet — Mary Jo Sams, Maxine Quinn, Marguerite Holmes, Betty Deaton.

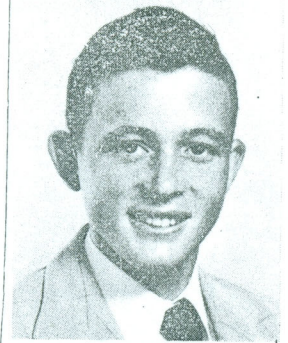

When You Wore a Tulip — Tap dance — Gene Campbell.  
For You're a Jolly Good Fellow — Quartet.

Heidi Van Dyck — "Say Goeden Dai!" — Patsy Allen.

Accordion Music — David Hotel.  
Dancing.

Pianist — J. C. Gault  
For the occasion the ballroom was transformed into the land of Holland with the typical "Dutch Mill" done in blue and white—the Junior class colors. The banquet table was decorated with tulips and other spring flowers, and "little Dutch girl" favors marked each place. The candlelight gave a festive air to the occasion.

Mrs. Elizabeth M. Morrell, Faculty sponsor for the Junior Class, was in charge of the arrangements for the event. Approximately 160 guests attended the banquet.

**GENE BROWN**  
President of Student Council  
Gene Brown, 1951-52 President of Pacolet High School Student Body will take office in September. He has served as President of the Quill and Scroll Society, and is a member of Beta Club, Block Letter Club, Future Farmers of America, the High School Chorus, and also serves on the present Student Council. Gene is the son of Mr. and Mrs. Walter Brown, of Gaffney Route 4.

**MERLE ALLIE**  
Edits 1952 Telapaco  
Merle, a member of the rising Senior Class, served as a reporter on the Telapaco this year. She participates in many school activities including the Beta Club, the Quill and Scroll, the High School Chorus, and the Lily Strickland Music Club. She is the daughter of Mrs. Lillie Mae Allie of Pacolet Mills.

**JOAN ROBINETTE**  
Editor of 1952 Tomahawk  
Joan, a rising senior, served as assistant editor of the 1951 Tomahawk. She participates in many school activities; she is President of the Junior Class, a member of the Student Council, Beta Club, Quill and Scroll, and the Block Letter Club. She has also served as a cheer leader for the past two years, and is pianist for chorus. Joan is the daughter of Mr. and Mrs. Zack Robinette of Pacolet.

**EDNA STEADINGS**  
Vice President of Student Body  
Edna Steadings, Vice President of the Student Body is President of Pro Club, Vice President of J. H. A., and is also a member of Beta Club, Block Letter, and the present Student Council. She is the daughter of Mrs. Phoner Steadings of Pacolet Route 1.

**MRS. NETTIE RICE**

Mrs. Rice is another outstanding mother whom we would like to honor for Mother's Day. She has worked here much of the time since moving into the community with her parents, Mr. and Mrs. J. B. Hendley, when she was 14 years old.

Her husband, Jim, died four years ago after a long illness leaving her with 6 young children to raise. Although times following must have been difficult for Mrs. Rice, the children were always the picture of health and they still are. Billy, the oldest, is in the Navy; Bob is a junior in High School and so on down to the youngest, Margaret Frances, who is in the 6th grade now.

A jolly warm hearted woman, Mrs. Rice really lives for her family and wants the best for them. "If she has a fault, it would be in not giving the children enough of the responsibility of helping with the family," said a friend of her. However, she has 2 boys who will be working at least part time soon and this should be a help.

Today's high prices and inflation may worry her as much or more than they do most of us, but she is so happy natured that she never seems to feel that she has too much of a burden.

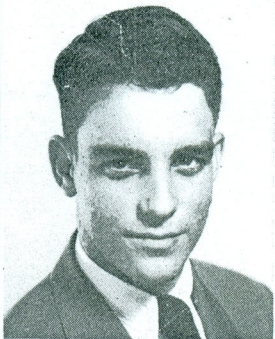

**MRS. ALVA GOFORTH**

Mrs. Goforth is one of our finest citizens and an exceptional mother. She has worked at Pacolet Mills continuously since coming here in 1922.

She has a daughter, Mrs. Smith Williams of Pauline, and an adopted son Doyle, who lives in Los Angeles now with his wife, Kathleen Worthy Goforth. Doyle's mother died when he was only 14 months old and Mrs. Goforth, his aunt, took him and cared for him until he was grown.

Mrs. Goforth is a charming little gray haired lady who gets much pleasure from visiting with her friends, caring for her home and doing the little kind of things that come naturally to her.

**BOB RICE**  
Secretary-Treasurer of the Student Body

The Secretary-Treasurer of the Student Body for the coming year is Bob Rice. He is at present sports editor of the Telapaco and is a two letter athlete. He is a member of the Beta Club and the Block Letter Club. Bob is the son of Mrs. Jim Rice of Pacolet Mills.

## SYMPATHY—

We wish to extend our sympathy to the following families in the recent passing of a loved one:

- The Fred Mathis Family
- The Johnny Millwood Family
- The Mulwee Family
- The Walter Tate Family
- The Betty Martin Family
- The Ferguson Family.

MRS. ADDIE SULLIVAN

(Jimmy Sullivan with his grandmother)

Mrs. Addie Sullivan is among the great mothers of Pacolet Mills. She has lived in the village for 27 years and has raised 9 children. Calling her grandmother are 13 grandchildren and 1 great-grandchild.

All of Mrs. Sullivan's boys have served in the army. One son, J. E. Sullivan, is in Korea fighting with our forces and another son, Boyce Dean, was killed in action in Italy during World War II.

MRS. ROSA BLEDSOE

Mrs. Bledsoe is 67 years old and came to Pacolet Mills from Scott County, Virginia, with her family in 1926. Her husband died in 1933 leaving her with young children to rear, and for many years she worked in the Clothroom here. Her home is with her daughter, Mrs. Ernest Odell, and since both Mr. and Mrs. Odell work, Mrs. Bledsoe still is a very real homemaker.

Flowers and gardening are her hobbies and it is worthwhile to take a trip to the Odell's new home to see the glorious showing her recent plantings make. This spring she had some outstandingly beautiful pansies.

**Robinette.**

She is gifted with a "green thumb" in that she has an unusual accomplishment, that of making everything she plants grow and thrive. African Violets, those lovely delicate plants that won't grow for most people, are her present success. If they freeze for her, they just put out new leaves and start all over again.

Mrs. Glass has never worked in the Mill but has spent the years raising a lovely family and making a pleasant home for them. The children are all married and there are 19 grandchildren and 2 great-grandchildren.

Having been a shut-in for the past 2 years, she is always glad to have friends drop in for a visit, and it's a real treat to have the privilege of a visit with this truly dear mother.

MRS. PAROLEE GLASS

When we think of our oldest settlers, we think of Mrs. Glass who has lived in the same home at Pacolet Mills for 33 years. She is the mother of 8 children, of whom her son, John of Fingerville, and daughter, Cora who is Mrs. Boyd Brown of Rhodhiss, N. C. live away from this community. Mrs. Glass makes her home with a daughter, Mary

MRS. ARA McCRAW  
MRS. McCRAW's GRANDSON

Mrs. McCraw is another of our community's outstanding mothers. She has 2 girls and 7 boys for a family of 9 children. One of Mrs. McCraw's grandsons is shown here also. The little fellow is only 6 months old and is the son of M/Sgt. and Mrs. L. W. McCraw. Sgt. McCraw has been in the Army for about 25 years and hopes to retire in the not too distant future. He is now stationed in Germany. Mrs. McCraw, his wife, is a former army nurse and was Miss Arkie Malloy of Arkansas before her marriage.

## CONVERSATIONAL CORNER

BY MISS BELLE FULLER

Joanne Allen underwent a tonsillectomy on March 28th. We are glad to report that she is now doing nicely.

Mrs. Corrie Mabry, Margie Mabry and Mrs. Alva Goforth visited an aunt, Mrs. Rachel Burgess, in Gaffney on the 31st. Mrs. Burgess had been living in Virginia but has now moved to Gaffney.

Miss Mildred Millwood, daughter of Mr. and Mrs. Carl Millwood, and Mr. Louis Burgess, son of Mr. and Mrs. Floyd Burgess, were married on March 31st by Rev. Painter.

Sam Arnold, who is working for Saco-Lowell was home for Easter. He has been in Georgia for six or eight months. Sam weighs 214 lbs. and is one husky guy.

Mr. Melvin McCraw of Greenville visited relatives here on April 7.

Mrs. Loyd Robinette and Mary Jo and Mrs. Jess Patrick visited Robert Robinette and family in Chicago in March. They say Chicago is rightly named "The Windy

City." They took a look at Lake Michigan but it looked like an ocean to them, and they shopped one whole day but said they only took in three stores.

Mr. and Mrs. LeRoy Pace celebrated their 22nd wedding anniversary on March 25th. Their daughter, Betty Jean Robinson had the family to dinner and they had a very gay time. The centerpiece was a decorated cake with the inscription "Happy anniversary to Mom and Dad" on the icing.

Went to visit the Weeks family and feasted my eyes on hundreds of blooming tulips, daffodils, azaleas, English violets, in a riot of colors. You don't have to go abroad to see other folks' gardens, just visit those at home, and you have a cordial invitation to visit the Weeks' garden at any time.

Mrs. John Loving spent Easter with her mother, Mrs. L. J. Fortner at Marshall, N. C. Nettie says it's the first time she has been home for Easter since her marriage.

Bud Teaster made the grade with the Cincinnati Reds and will play with their Class D farm team at Welch, Virginia.

Amos Glass has been moved up to first shift at the Filling Station. Pvt. Charles E. Lee, husband of Joyce Loving Lee, is home on furlough from a camp in Wisconsin.

Mrs. Walter Tate and family wish to take this means of thanking all of their friends and neighbors for their great kindness and thoughtfulness during the sad days of their bereavement.

Eunice Rook, daughter of Essie Rook, and Monty Fay Frost of Startex were married in Gaffney on April 14. Eunice is a senior at Pacolet High School and will graduate with her class in May.

We are sorry to hear that the home of Mr. and Mrs. Clarence Fisher burned to the ground on April 22nd. The family had been away all day and have no idea how the fire started unless it was from faulty electrical wiring. They lost everything they had.

We are very sorry to hear that Herbert Jones is in the hospital with a very serious spinal condition. We hope it won't be too long drawn out.

Bob and Louise McKeown are planning on opening a very modern flower shop, probably by the first of May. It will be located on Fuller Street near Jess Glass's. The building belongs to John Campbell and is being remodeled and furnished at this time. It is a nice location and convenient to get to. They will have telephone service and give care and consideration to each order as they have in the past. We wish them every success in this new venture. Hope to have pictures next month.

We hear that Ned Holmes and Miss Virginia Bruce of Spartanburg were married at Easter when Ned was home, but haven't the details yet.

Mr. and Mrs. Harris Gravely (Billy Holmes) were here for the weekend of April 8th. They live in Atlanta.

Bobby McGaha, who is in a camp in Minnesota, reports a full scale blizzard the week of April 10th. Shelby Kirby is home for a ten days' furlough. Haven't seen him yet but we are very happy for the Kirby family.

## Rev. Gregory Tells of Methodist Church Affairs

As we write of the activities of our church we find ourselves in the midst of a series of revival services which will perhaps close on the night of April 29th. We have been delighted with the attendance at all the services and with the fine Christian spirit of cooperation given us by the other churches of the community.

Most of all we rejoice in the fact that our Church is being very much revived and that God is blessing many hearts, lives, and souls. In general the religious life of the community is being lifted because many have turned to God and are living and upholding His way of life.

During a recent meeting of the Board of Stewards, it was decided to let the contract for placing chair molding and stained glass windows in all the Sunday School class rooms and to install cello'x and fluorescent lights in the kitchen and social hall of the church and to paint the entire church building on the inside. Perhaps the next step in our church building improvement program will be the refinishing of the pews in the sanctuary of the church.

We certainly are thankful and we rejoice greatly in the fact that quite a number of people have recently professed faith in Christ and united with our church.

Plans are now under way to hold a Vacation Bible School for the children during the early part of June. Textbooks have already been ordered and placed in the hands of the Bible School workers. Most of the selected workers attended the Vacation Bible School Institute for the workers held recently at Duncan Memorial Methodist Church in Spartanburg.

The Womans Society of Christian Service is planning to send several of its members as representatives to the Annual Conference of that organization which is to be held May 17th at Charleston, S. C.

It was a pleasure for many of our members to have had the Rev. W. E. Abrams of Charleston, in our community as the preacher in the special revival services recently held at the Pacolet Mills Baptist Church. Many have spoken highly of his simple gospel messages and we feel that good seed have been sown in the hearts of the people of our community that shall bring good fruit in later days.

The Boy Scout troop that is being sponsored by our church is progressing well under the fine leadership of Mr. Frank Harrold as chairman of the Scout Council and Mr. Alton McCraw as the Scout Master.

We like to urge all the citizens of our community to attend church somewhere every Sunday and lend your support to the great cause the church represents, the cause of bringing a righteous peace to a very torn and bleeding world. The church challenges the best there is in any of us, but how pathetic it is that so many in these days of great need of character that we are not conscious that with their support the Church could bring permanent peace to our troubled world and save our world for Christ.

—J. T. GREGORY, Pastor

Miss Shirley Wells, student of Columbia College, spent the week of April 15 at the Conference of College Students Council at Stetson University at Deland, Florida. We are very proud of the record Shirley is making as a student.

One night the Class enjoyed a movie in one of Washington's largest theaters. In Virginia stops were made at the Endless Caverns and the Natural Bridge; the latter was chosen the most impressive place visited. The Seniors were also shown through the R. J. Reynolds Tobacco Company, the makers of Camels, in Winston-Salem, N. C.

## News And Announcements From Pacolet Mills Baptist Church

The Revival Meeting which closed the first of April was an all round good meeting. Pastor Abrams did real constructive preaching. We had fair attendance considering the "flu" epidemic that was at its height during the meeting. We did not have as many to join the church as we usually have; we had six for baptism and three by letter.

There were 38 present at our last Brotherhood meeting. We had a good meal, good singing, and good speaking. Charles Lowery, Lewis Jones, and Elms Gibson prepared and served a steak supper. Several hymns were sung by every one present, except two. Then some special selections were given by the quartet, ably assisted by Mrs. Mary Hodge, Mrs. Dorothy Goforth, and Mrs. J. C. Arnold. The speaking was done, and well done, by our president, John Peole. We cordially invite all the men of our church and congregation to attend these meetings. They are promoting a good fellowship with us.

Our church will observe Christian Home Week beginning the first Sunday in May and ending on Mother's Day. In the last few years this observance has become established in the program of many churches in the Southern Baptist Convention. There appears to be a growing recognition of the primacy of the home in the mold-

ing of character. S. D. Gordon said: "Home is the holy of holies of a man's heart for there he withdraws from all the world and is alone with those who are his own. It is the reservoir of his strength, the restorer of his energies, the resting place from his toil, the brooding place for his spirit, the inspiration for all his activities. . . . home is where love lives." Christian Home Week was inspired by the belief that every home can be like that if Jesus is the guide.

Southern Baptist give perennial emphasis to the building of Christian homes. The Sunday School and Training Union literature magnifies the factors which make homes Christian. At the heart of the present three-year program of the Sunday School work is the Crusade to enroll complete families. The slogans, "Take Your Family to Sunday School" and "Training Union is a Family Affair" show the emphasis each of these organizations is giving to ministering to all the family. We hope to have many complete families present the first and second Sundays of May, and at the mid-week service between.

—W. T. TATE, Pastor.

## Black Trojans Out to Best 1950 Record

The Pacolet Trojans started spring training April 15th rounding into condition to meet some of the strongest colored teams in the South. The Black Trojans are noted for playing a fast, hustling brand of baseball, and anytime you go out to see them play you can be assured of seeing plenty of good, clean, hard fought games.

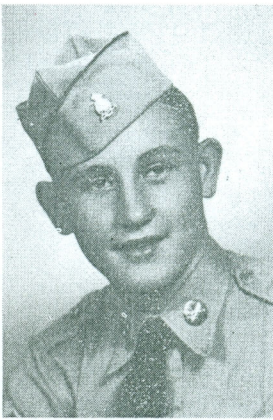

The team will be under the leadership of Willie George Bailey who proved to be a very capable manager last year.

The Trojans will be out to better their record of 18 wins and 3 losses last year.

The fans, both white and colored, will miss George Wannamaker, star shortstop, who will play this season with one of Uncle Sam's service teams. All the other players from last year's squad will be back and rearing to play ball.

## COMMUNITY CHEST

Continued from Page 1  
is approximately \$1.25 or \$10.00 per 8 hours.

For the past three years we have asked that each employee contribute \$5.00 to this cause. The response has been most gratifying. There were some who did not respond—and some gave more than they were asked for. For two years your contributions were sufficient and at the end of the year there was a surplus, but during this year much more has been paid out than was given. An increase in price of every commodity—and more numerous requests for help due to illness, which has been very prevalent during the winter, have brought this to pass.

In order that our Community Chest may function as it has in the past there are only two alternatives. One is to increase contributions, the other is to buy only necessities. At a meeting last year the committee from each department voted in favor of giving aid to our employees and their families to the extent of our ability when called upon. Of course our ability is governed by your contributions. Along with the necessities, we have also bought cigarettes, tobacco and other items considered a luxury. We would like to continue this practice, but it is up to you as to whether or not this will be possible.

Since the organization of our Community Chest, no employee has been refused assistance because of his failure to contribute to the fund. Accurate records are kept and we could restrict assistance to those who give.

This year, as usual, every one is asked to contribute—but instead of \$5.00, will you give \$10.00—one day's work? Perhaps it seems like a big amount but it isn't too much for a whole year. A few years ago practically every week—or every pay day—we were approached by several different people soliciting funds for different causes. Let's give in a big way and be done with donations of this nature for one whole year. After the canvass—officers and committees will be called to determine if our present plan of operation can continue, and if not, what adjustments must be made.

It would be unfair to close this communication without acknowledging the faithful and fine service Mrs. Coye Lee has performed as treasurer. Members of our committees have also given of their time, have driven their cars at their own expense to investigate cases, and, as chairman of Pacolet Mills Community Chest, I trust you will join me in thanking each of them wholeheartedly for their splendid cooperation.

Very cordially yours,  
**C. T. HOLLAND, Chmn.,**  
Pacolet Mills Community Chest.

Mother's Day, Sunday, May 13.
