

Mr. Madge "Down On The Farm"

Retiring Pacolet Secretary and Asst. Treasurer A. D. Madge shows one of the ways he has developed his Poplar Springs area farm into great potentialities. A cooperator with the Spartanburg Soil Conservation program, he is cutting down briars and bushes in this area that is being improved.

Pacolet Mills' Secretary and Asst. Treasurer is retiring from his duties to devote full time to farming and cattle raising.

Mr. Madge has been connected with Pacolet almost eight years. We regret his leaving, but are glad that he will stay close enough to be neighbors and wish him every success in this full time undertaking. The Madge farm is in the Poplar Springs area and has been developed into one of the show places of the county. From a small peach orchard on the farm will be shipped this season the first crop produced there. A white-face herd numbering more than 60 graze on rich pastureland. Thus it is easy to see that farm-

ing on such a large scale can take much more than part time.

NEW OFFICIAL

Mr. Nils O. Nielsen of the Deering-Milliken office in New York is taking over the Pacolet secretary and asst. treasurer's position. No stranger to the organization—he has been associated with the Deering-Milliken Company approximately four years in charge of centralized accounting.

We welcome Mr. Nielsen and two children. He expects to live in Spartanburg as soon as a suitable place can be located.

We welcome Mr. Nielsen and his family and trust that they will be very happy "Down South."

WITH THE MEN IN SERVICE

PFC. CLYDE MARTIN AND

KOREAN WAIF

Pfc. Clyde Martin, son of Mr. and Mrs. Grady Martin, writes from Korea that a little Korean chap strayed into the camp when the snow was 10 or 12 inches deep. He was wearing few clothes and was so cold and hungry that the cooks adopted him. Clyde is a cook in the 4th.

PFC. RAYMOND E. LEMONS

Pfc. Lemons of Heavy Mortar Co., 6th Inf. Regt. from Pacolet Mills, now stationed in Germany, was chosen soldier of the week for the period 24-31 of May. He is the first member of the company and the second of the battalion to be selected for the honor so far this year. Pfc. Lemons is the son of DeWitt Lemons and entered the army in January 1949. After completing basic training at Fort Jackson, he was assigned to Berlin as a gunner.

WILLIE FLEMING

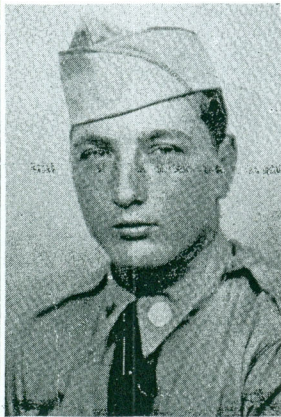

Willie, son of Mr. and Mrs. Vernon Fleming, writes that he is guarding the neutral zone in Korea. The men in the field are discouraged about the outcome of the situation there and Willie adds that the delegates fly in by helicopter and that guns are trained on the headquarters constantly in order to get the delegates out if things go bad. He is in charge of two mobile truck machine shops and services the big tanks.

KILLED IN ACTION—

WILLIAM T. ESTES

Mr. and Mrs. James Estes have been notified that their son, William T. Estes, was killed in action near Taejon, Korea. He had been reported missing since July, 1950. A brother, James N. Estes, is at Fort Leonard Wood, Missouri.

PVT. HUGH E. ALLISON

Private Allison is serving with the army in Germany.

Patsy Harris, daughter of Andrew Harris is home from the hospital recovering from an an appendectomy.

A letter from Victor Hudgens in Korea came in recently. He is getting his first copy of The Neigh and Newsletter and tells how much they mean to him. He asked about some of the boys and we will reply to that in the newsletter. He is very anxious to get in touch with some of the boys from home.

Claude Petty writes that he had been in Korea for eight months. Doesn't like it but likes his work. He is a cook and that suits him fine. Said he hoped to see Clyde Martin soon. He learned from our letter how to get in touch with him.

Had a letter from John Frederick McGaha and because it is so unusually good a portion of it is included in this column.

Johnny says, "It is impossible for you to realize the importance of this work you are doing. You are making Pacolet alive for us—so far from home. Without the kind words you send from home, without the pictures we see in The Neigh, without knowing that someone besides Mom and Dad are thinking of us, this would be unbearable. The only thing South Carolina hasn't more of than Korea is Koreans. I was very proud of my May issue The Neigh. A lot of the boys in the outfit made fun of The Neigh, but we showed them in the May issue. The pictures, I think, did most of it. One boy said, 'It must be great to live in a town like Pacolet Mills.'" John also says he would love to see someone from home so I will give his address in the newsletter so anyone going John's way can find him. It is wonderful to get a letter like this. Now we know that whatever the effort we make for an interesting paper, if it does nothing more than keep our boys in the service in closer touch with home and to let them know we are always thinking of them both in writing news for the paper and the newsletter it is all worthwhile.

John Nicholson is out of the Navy and has already joined the National Guard. He will go with them on the June encampment. John says he doesn't know yet what he wants to do, but will shake down into something when he gets back from camp. His buddies say he won't be satisfied out of the service.

Charles Steadings writes from Fort Dix that he is happy to get news from home. Said he saw Bobby Hart and was so glad to see someone from home. He finds the people there very nice and he has had a trip to Philadelphia.

We finally catch up with Jess Pace again after having lost him for several months. He is now at Harlinger, A.F.B. Texas. We tried to get hold of some back Neigh to send him, but that's hard to do.

Minnie Pace and small daughter Donna, left on June 13 to join Donald, who is stationed at Camp Edwards, Mass. They will stay most of the summer.

Charles D. Lovings, son of Guy and Mary Lovings is now with the U.S.N.S. Gen. M. C. Meigs, with San Francisco F.P.O.

William A. Wilkins, Pacolet Rt. 1, and John Loving Jr. have both been inducted into the army.

Saw a picture of John W. Wyatt bathing in the surf at Pearl Harbor. Looked mighty cool, this hot weather.

Home on leave recently, Gerald Holmes and wife, Loy Bryant and wife, Fulton Tate, George Sutton and family, Bud Teaster, Bryant Mason Jr., Preston Goforth, Bobby Hart, Babby Patrick, Boyce Turner, Ivey Kirby, James Pell, Moon Seay, Ray Sheehan Robert B. Kirby and Lewis Worthy.

We still have to rely on relatives to keep us up to date on boys in the service and get the addresses and changes of address to us promptly. Every month some of the letters and papers are returned because the boys have moved and we have not received the change of address. That is one

thing we should not neglect while the boys are away.

We have a most interesting letter from Bill Meadows. By the way, he is Charles L. Meadows, officially. Bill is on the U. S. S. Bremerton. He missed Teetum Fowler by minutes and just after he had gone back the Iowa came in, so he missed those boys too. Says he was on the bomb line with the Iowa. With binoculars they could see the enemy on the hills. Said a big gun kept firing and was so well concealed they were never able to knock it out. He saw it hit a couple of ships but his ship was not hit. The Bremerton has been in Wonsan Harbor three times, and it sounds rough but he says it's a pleasure trip compared to the ground forces.

Bill also says The Neigh and newsletter mean so much to him for it's the only way he has of keeping up with home news.

Preston Goforth came by to pay a call. He has finished his basic training and was leaving June 20th for San Francisco. Preston wasn't too keen about the army. Said he would much rather be working at Pacolet.

Ralph Smith of the Goucher community came flying in waving his discharge paper the other day. Ralph has been on the U.S.S. Ideo. He and Bud Teaster were on the same ship.

Loy Bryant writes from MacDill A.F.B. He has not an unimportant job but one in which he must seem very unimportant, so we address him as "Mr." now. He said some time ago he was at Orlando A.F.B. and suddenly someone shouted, "I know that boy", and when he looked around there was Dick Lee of Pacolet Station. It must be a happy event when two of our guys get together away from home.

Lt. Jack Miller from Greenville A.F.B., spent the weekend of the 22nd with Dr. and Mrs. R. D. Hill.

John Loving Jr. is with the U. S. S. John A. Bole and at last writing was in Japan.

The U. S. S. Bon Homme Richard, the carrier that took part in the blasting of the hydro electric plants in Korea is the ship Shelby Kirby is on.

Warren Greene writes that his friends aboard the Iowa are so much interested in Pacolet Mills through reading his paper and newsletter that they say when they get around to Norfolk they intend to come home with him. They just want to see that place. Well, we will all try to see that they have a fine time when they come. Warren says the paper and letter are more welcome than payday.

Marshall Hill, son of Mr. and Mrs. Clyde Hill has his discharge and is home we hope, permanently.

Montgomery Memorial Methodist

The month of June was one filled with such various activities in the work of the Church that space will not permit the giving of an account of all but we will briefly mention some of the things which have been accomplished by our people working in unity and cooperation.

On June 1st we had the pleasure of having as our guest organist Sgt. Royal Jannings, a native of Oklahoma but now stationed at the Air Force Base in Greenville. Sgt. Jannings majored in music at Southern Methodist University in Dallas, Texas. It was an inspiration and joy to hear him at the organ in our worship service. We have had many other service men from the Air Force Base in Greenville to visit with us almost every Sunday in recent months. It is always a joy to have these service men with us as well as having the service men of our own community.

NICE AND COOL

Considerable improvement has recently been made in the comfort of our Sunday School Class rooms by the installation of 15 electric fans. Many of the teachers and pupils have commented on the comfort added to the rooms by the fans especially during the recent hot weather.

OUTINGS ENJOYED

On Monday, June 9th the Senior Department enjoyed an outing at Rainbow Lake. The Primary Department went to State Park where the workers enjoyed swimming and a picnic lunch.

The Men's Club enjoyed a chicken stew on the lawn of the Church Friday evening, June 6th. The stew was prepared by Guy Sullivan and members of the arrangement committee of the Club. After the supper the members held a business session at which the following new officers were elected: President, Olin Hodge; Vice President, Forest L. Kirby, Sr.; Secretary, James H. Harrold; Treasurer, Claude Jennings; Methodist Layman Agent, Frank Harrold.

TRIPS TAKEN

Twelve of our Boy Scouts with their Scout Master Buddy Foster, spent the week of June 15th to 21st at the Palmetto Boy Scout Camp at Saluda, N. C. The Scout Troop has made much progress in recent months and made a good impression on others while at the Camp.

During the same week the Pastor and his family visited our son and his family in Jacksonville, Florida. The visit was greatly enjoyed and the relaxation was very helpful.

STUDENT DAY NOTED

Methodist Student Day was observed in our Church on Sunday morning June 8th. Special features of the program were presentation of gifts to the recent High School and College graduates, a talk by Shirley Wells on the purpose and work of the Wesley Foundation and a special message by the Pastor on the subject, "Youth And The Church."

ATTEND BANQUET

I. W. White, Mr. and Mrs. S. C. Jennings, Mrs. Monroe Teaster and Miss Hazel Garner attended the banquet and meeting held for workers with adults which was held at El-Bethel Church in Spartanburg on Tuesday night, June 10th. These reported as having received helpful information that will be of greater service in their respective positions in the Church.

VAC. BIBLE SCHOOL

Our annual Vacation Bible School was held from June 1st to June 11th. The closing exercises were held on Wednesday night, June 11th with special stress being given to the work done by the children both in memory and in hand work of each class.

BE FAITHFUL

May we again urge all our people of our beloved community to stand by our Churches in these days of much unrest and confusion for in the message and mission of our Churches we will find our only hope for today and tomorrow.

—J. T. GREGORY, Pastor.

MRS. GOFORTH RETIRES FROM PACOLET

Mrs. Goforth's retiring day is enjoyed with a party as her associates gather for the farewell party. A few minutes later, you know the scene would show each and everyone enjoying the good food laid out on not one table, but two.

— And They Gave Her a Party

Mrs. Alva Goforth, a Weaving No. 3 employee for 30 years, retired on the 25th of April and was honored with a retirement party given by fellow employees and officials. Left to right, are C. T. Holland, Pacolet Mills' superintendent; Mrs. Goforth, herself, receiving a gift in memory of this event; Ben Hogan, overseer of Weaving No. 3, making the presentation; and Walt White, second hand of first shift, No. 3 Weaving.

April 25, 1952, was retiring day for Mrs. Alva Goforth. That is, she is retiring from her work in the Weave Room of Pacolet Plant No. 3, but if we know "Miss Alva" as she was called by her fellow workers she will find plenty for her hands to do. She is too energetic to sit down and do nothing.

Mrs. Goforth came to Pacolet Mills from Spartanburg in July, 1922. She went to work in the Lower Weave Room at Mill No. 3, and for 30 years worked in the same room. Most of this time in the same two weaving alleys.

On her retirement day she was feted with a dinner given by the workers in No. 3 Weave Room, 1st shift. She came to the dining table wearing a beautiful corsage of talisman roses, which had been presented to her earlier in the day. Other gifts were a gorgeous silk housecoat, slippers and an automatic pop-up toaster. The delicious meal which was prepared by the ladies consisted of fried chicken, potato salad, sandwiches, tomatoes, lettuce, home-made cakes, rolls, tea and coffee. Each one present was given a reminder of this lovely event.

Invited guests were, Mr. C. T. Holland, Superintendent; Mr. B. F. Hogan, Weaving Overseer, who presented the gifts in behalf of the employees; Miss Corrie Mabry, sister of the honoree; Miss Belle Fuller, Industrial Nurse; Miss Betty Bryant; Mr. Herman Davis, Cameraman; Mrs. Marion Harrold, Secretary of No. 3 Weave Room, but at present time working at the Personnel Office, and Mrs. Ruby Millwood, Supply Sec-

retary for No. 3 Weave Room. Mrs. Goforth has two children, a son, Doyle, and daughter, Jeanette; three grandchildren and five great grandchildren. Doyle and his wife live in Los Angeles, California. Mrs. W. S. Williams, (Jeanette) lives at Rt 1, Pauline. It has been rumored that Mrs. Goforth will go to live with her son, Doyle, in California. Her friends believe she will continue to make her home at 16 Stone St. where she has resided the past 25 years.

The writer of this article pays this tribute to her:

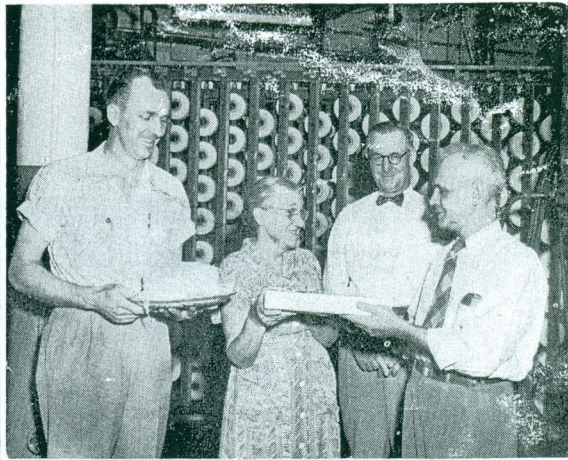

She was a good mother, a loyal, truthful friend, a hard worker and good provider, sweet tempered, kind and considerate, a pleasant and charming hostess. Never have I seen her angry at any time, but always smiling and cheerful. She carried her crosses with a smile and long will be remembered by a large host of friends. We wish her joy and happiness in her retirement years, for truly she is one that deserves it.

PERSONALS

Miss Myrtle Venable came by for a fleeting visit. She has been with friends at Wilkesboro, N. C.,

MRS. SPROUSE ENDS 29 YEARS WORK

Mrs. Mary Sprouse, a Pacolet employee for 29 years, is being presented here with gifts during the spinning room's retirement party for her. Trowell, Pacolet personnel director, and Charles Lovery, overseer of Spinning, who is making the presentation of gifts on behalf of Mrs. Sprouse's well-wishers.

— And They Gather 'Round

Spinning No. 3 employees and guests make a grand occasion out of Mrs. Sprouse's retirement and here record it for posterity.

We attended a spinning room party for Mrs. Mary Sprouse on May 2nd. The men and women from her department took time out to wish her a happy leisure time. She says she really doesn't know what she is going to do with her time, but we are sure she will find time to visit her friends and do many things she hasn't had time for.

Sandwiches, iced tea and cakes were enjoyed, and a lovely coconut layer cake, baked by our ace cake baker, Peg Sullivan, was presented to her to take home. The department gave her a lovely dress and other gifts.

Mrs. Sprouse has worked for Pacolet for 29 years, and has enjoyed them all. She has seven children, thirty grandchildren and three great grandchildren. She says she went to work when she was eight years old, and has worked at most of the surrounding mills.
