VOLUME THREE

PACOLET MILLS, S. C., SEPTEMBER, 1951

NUMBER SIX

Loveliest Flowers Become A Lovely Lady

Literally surrounded by her garden of lovely and colorful flowers is one of the ladies of Pacolet Mills who commands our deepest respect. Her name is Mrs. Alta Thompson and her age is 71. Looking back over the years, she can recall interestingly the old times and what changes the years have brought to our community. Although her health

may not be quite as good as she would like to enjoy, she still possesses a very keen sense of humor. Pacolet Mills has been her home for 40 years. Mr. Thompson died in 1916 and she was left with a family of five children to raise. In her earlier days, she was one of the ladies always called upon in times of sickness and trouble in the community. Be-

fore the days of nurses, she would be called day and night to go and care for the sick, help with new babies and prepare bodies for burial. Two of her daughters died after they were grown and she now has three sons and six grandchildren. One grandson, Bovec Phillips, will finish Wofford College next year and has been an honor student every semester.

District No. 9 Superintendent

L. V. EPTING

Shown above is Mr. V. M. Epting, the new superintendent of School District No. 9 and successor to Mr. W. S. Parrish, who held this post until resigning at the close of the last school session.

Faculties of the various schools located in this District were published in the August Neigh.

Thursday, August 30th, at 9:00 A. M. saw pupils again trooping back to resume studies after the summer vacation. School authorities request the fullest cooperation of the community and student body in order that a good and profitable session might be a reality this year, and that the desired ends of the educational program might be attained.

The public is urged to visit the schools as often as possible during the school year. When parents visit their school they are showing their interest in their children and in their school program.

EXPRESSION OF APPRECIATION

In this way we want to express our appreciation for the many nice things which comforted us during our recent bereavement. The lovely flowers, food, and cards helped so much and we thank you for them all. We are grateful also for your prayers and the many other additional kindnesses. May the Lord bless each and everyone of you.

Mrs. C. W. Pearson
Children and Grandchildren.

Twenty-four of the younger boys and girls of the community were present to see that Herman Davis Jr. enjoyed his 11th birthday August 15th, with events of a picnic and swimming party at the Little State Park. This picture of the celebrants, proving

how successful they were, shows (you pick them out) Margaret Frances Rice, June Hogan, Brenda Joyce Henderson, Cynthia Petty, Elaine Hogan, Erskine Lee, Mike Ellison, Bruce Ellison, Richard Hollifield, Dennis Brackins, Jackie Hodge, Brenda Kimber-

Florida recently visiting many interesting places in the "Sunshine State." Their tour included stops in Savannah, Ga., Jackson, St. Augustine, Marineland, Daytona Beach, Silver Springs, Ocala, and Gainesville, Fla. Their trip netted them one genuine hand-picked Florida orange which they proudly display to their friends. (The orange, by the way, is a dark green, since the orange season was over and there were no ripe ones on the trees.)

Mill No. 3 is getting out of the step-child class. The basement weave room has been air conditioned and the floors are being sanded and waxed, and we have a crew of painters going over the entire building. We are going to look very spic and span right soon.

A successful vacation Bible school was conducted for the colored people at Maryville, Mrs. Annette Greene Superintendent. Junior Department was taught by Mrs. Lucille Mann, Mrs. Lucille Baker, and Mrs. Thelma Henderson, with an enrollment of 24. This was a very commendable work. We appreciate these ladies giving their time and energy to it.

HODGE-GREENE WEDDING
There have been two weddings at the Pastorium, performed by the pastor, since his last writing. In a single ring ceremony Miss Betty Josephine Hodge became the bride of Dorsey Boyd Greene Jr. The vows were spoken before an altar of greens, white gladioli, and lighted tapers.

A program of nuptial music was presented by Mrs. Glenn Long and Miss Frances Hodge, sister of the bride. Mrs. Long played, "Ah Sweet Mystery of Life" and "I Love You Truly." Miss Hodge sang, "Because." Traditional wedding marches were used.

The candles were lit by Mrs. Francis Mabry, sister of the bridegroom. The bride and bridegroom entered together and were unattended. The bride wore a white suit with navy accessories. Her flowers were red roses. Mrs. Greene is the daughter of Mr. and Mrs. Ollie Hodge. She graduated from the Pacolet High School and has been employed by the Bell Telephone Co.

The bridegroom is the son of Mr. and Mrs. D. B. Greene. He graduated from the Pacolet High School and also from The Citadel in the class of 51.

They took a wedding trip to the Smoky Mountains, then stayed for a few days with the bridegroom's parents and now they are at Fort Knox, Ky., where Lt. Greene has been assigned. The bridegroom's father and mother, brother and sister were all married at the same spot in the living room of the pastorium.

MULWEE-FOWLER WOVES
Miss Barbara Mulwee, daughter of Mr. and Mrs. C. C. Mulwee, became the bride of Harold Fowler at 5 o'clock P.M. August 12. The wedding took place at the Baptist Pastorium and was performed by the pastor of the bride and bridegroom. The room was decorated with white candles, fern, and white gladioli. The groom is the son of Mr. and Mrs. W. H. Fowler.

Mr. Foye Baker, soloist and Miss Mildred Holland, pianist, presented the program of wedding music. Mr. Baker sang, "One Alone" and "Because" and "The Lord's Prayer" for the benediction. The bride wore an ankle-length dress of white lace, with matching lace mittens. Her veil was made of imported silk illusion attached to a white pearl beaded crown. The bride's only jewelry was a white pearl necklace and earrings. She carried a nosegay of white carnations.

The bride's only attendant was Mrs. Mary Fowler, sister-in-law of the bridegroom, as matron of honor. Miss Merita Fowler, sister of the bridegroom lit the candles. The matron of honor wore an ankle-length dress of velvety organza over pink taffeta, with round neckline, cap sleeves and taffeta sash. Her head dress was of pink braid, trimmed with matching velvet ribbon. She carried a nosegay of pink and white carnations.

William Fowler, brother of the groom was best man. After the ceremony the couple left for a wedding trip. The bride wore a white suit with blue accessories and a corsage of red rose buds. A picture of this wedding can be found in this issue.

Harold had a 30 day leave of absence from the navy. He is to report soon at San Diego, Calif. In January he is to go back to Japan. Pastor Tate also performed the marriage ceremony for the father and mother of the bride 21 years ago.

—W. T. Tate, Pastor.

A Youngster Writes...To You

I am just a kid, but in a few short years I'll be grown, and I'm wondering what kind of country we'll have then.

When I'm a grown man with a family, will I be allowed to run my own life, or will I be just a social security number in a government file?

When I get sick, will I go to my doctor or to a government doctor?

When I want to buy a house, will I be able to build one just as good as I can make it, or will it be a government-built house, worth only part of what the government taxes me for housing?

Will I be able to pick my next job, or will I have to take whatever job the government assigns me?

Will I get a chance to make my own way in competition with others?

It seems to me the answers to all of these questions depend on how you grown-ups act and vote during the years ahead — while I'm growing up.

And that's why I hope you'll remember just one thing about this country — just don't forget that the only reason Americans produce so much more and live so much better is that they have the whopping supply of tools of production in which people are willing to invest their savings.

How about giving me a chance at America the way you found it when you first came of age?
—Exchange.

Mulwee-Fowler Wedding Party

Miss Barbara Mulwee became the bride of Mr. Harold Fowler in ceremonies solemnized by Rev. W. T. Tate at the Baptist Pastorium on August 12. An account of the wedding is told in the Baptist Church column to the right of this picture.

Mrs. Brown... "Knocking On 83"

One of our real old timers is Mrs. Ella Brown, who has lived near the village for 66 years. She was born in Cherokee County, married when she was 16, and raised ten children to be grown men and women. Seven of these children are living today. Asked about her age, she replied that she was "knocking on 83". She's doing a good job of knocking, too!

Mrs. Brown likes living alone in her tiny house, but her son, Buddy, and his family live nearby. She has had relatives working for Pacolet Mills all through the years, and is as much a part of our community as the ones who live in the village.

In appearance, she's very slight and tiny, probably not weighing over 70 pounds. However, her fragile appearance is deceptive; she really gets about and takes care of herself and her house.

Her greatest joy is her little granddaughter, Mary Joe Brown. Mary Joe is a celebrity in her own right because she weighed only one pound and 13 ounces when she was born on September 4, 1948. She was the smallest baby ever born at the General Hospital to have survived. The little mite was only 13 inches long and remained at the hospital for five months. She will celebrate her third birthday in only a few days, so in addition to wishing a happy birthday for her, we thought it quite fitting that she and her little grandmother have their pictures taken together.

Birthday Miss

ANNE MILLWOOD

Little Miss Petty

ELIZABETH ANNE PETTY

Anne Millwood, daughter of Boss and L. A. Millwood, celebrated her seventh birthday with a party at the home of her grandmother, Mrs. W. K. Seay. Thirty-two of Anne's friends attended and "a wonderful time was had by all."

This is Elizabeth Anne Petty, daughter of Mr. and Mrs. John Ray Petty. The little miss is soon to have her third birthday on November 26th. It's a guess that she's getting ready to have a telephone chat with her grandparents, Mr. and Mrs. Dewey Cook

Mutual Cooperation Is Stressed By Local Methodists; More News

We rejoice greatly in the fact that the attendance at our church services has held up well during the summer months when many of our people take needed vacations.

The activities of the church program have also been surprisingly progressive. Many of our people have worked and are working faithfully to help the church meet the needs of the people in the community and to do a good job in fulfilling the purpose of such an institution among us.

MEN'S CLUB MEETING

On Friday night, August 3rd, the Men's Club of our church held its first supper meeting. Mr. S. F. Cannon of Bethel Methodist Church in Spartanburg was present to represent the District Board of Lay Activities and to present the Club's Charter to Mr. Ray E. Lee, the president of the Club. After a bountiful fish supper, prepared by Victor Inn and served by the Arrangement Committee of the club, which was enjoyed by all present, Mr. Cannon addressed the club members using as his subject, "Playing the Game of Life."

VACATION FOR PASTOR

The pastor and his family enjoyed a vacation the week of August 6-12 at the Isle of Palms. On the return trip we visited historic places of Georgetown; Pawley's Island, and the Brookgreen Gardens.

ACTIVITIES IN THE NEWS

The leaders of the Intermediate department of our church had charge of the midweek prayer service on Wednesday night, August 8th. Two of the Intermediates who attended the recent encampment of the Methodist Church at Cheraw, S. C., gave reports of their camp experiences. The program was enjoyed by many who came to hear about the camp life of our young people.

The Wesleyan Service Guild held its regular monthly meeting at the church on Monday night, August 12th. A very interesting program was presented on the why and why of visiting shut-ins. The pastor was present and gave a talk on "Church Co-operation and Attendance." Plans were made to raise money for the expense of clothing the orphan child the Guild has adopted to clothe at Epworth Children's Home. The Guild assumed the responsibility of keeping the Church Parlor furnished, clean, and attractive.

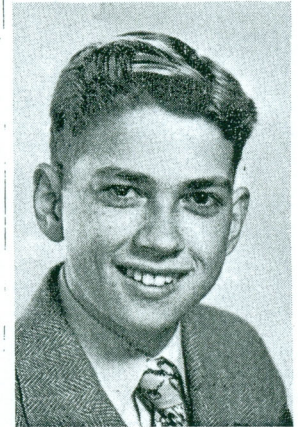

The Woman's Society of Christian Service has assumed the responsibility of keeping the church kitchen. The kitchen has recently been modernized and well furnished and the ladies will keep it neat and attractive.

MUTUAL COOPERATION

As our church, along with the other churches of the community, seek to serve the needy of our beloved people, we need the faithful support of all the citizens of Pacolet Mills community. If we all work together to the end that common good may be done, then we all may rejoice in the knowledge that we have done a good job.

Everything runs more smoothly at home, on your job, and everywhere when you attend church. Attend church somewhere next Sunday and every Sunday.

Serves As Scout Staff Member

TOMMY GREGORY

Tommy Gregory, the son of Rev. and Mrs. J. T. Gregory, served on the Boy Scout Camp staff with Mr. Elmer Gibson, J. C. Gault, Tommy Mabry, and Jerry Wilkins at the Palmetto Boy Scout Camp during the months of June and July.

While a camp, Tommy had the honor of being chosen and received into the Sacred Order of the Arrow. The person who becomes a member of the Order is chosen on the basis of outstanding qualities of leadership, ability in camping, and unselfish service to other boys at camp.

The others from our community who were on the Camp Staff, and whose names are mentioned above, were already members of the Order of the Arrow.

but those are the people who have a news item when they are asked, and those are the people who make an effort to get interesting pictures to us. You know this news gathering is just an added chore and we can't put much time to it, so why not make an effort to get a bit of news to us each month, and help us cover all the Pacolet Mills workers.

Mr. Ernest Stalworth visited his nephew, Jimmy Stalworth, at Wilmington then finished his vacation at Myrtle Beach.

Mrs. Willie Thompson has as her guest her uncle, Mr. L. B. Smith.

Mr. and Mrs. Jess Patrick spent the week of August 5th at Daytona Beach and say it's a wonderful place for a vacation.

Mr. and Mrs. J. B. Weeks took a trip over the Blue Ridge Parkway to Washington and back by the Natural Bridge.

Personal Items

Mr. and Mrs. James Hyatt had a lovely mountain trip to Knoxville and back by way of Gatlinburg and Newfound Gap, then to Fontana Village and Fontana Dam where they had a cottage for several days. James says there are around 400 cottages at Fontana Village and it is one of the most beautiful summer resorts in the mountains. He said there were very few North and South Carolina cars there but many from other states and a great many from Ohio.

Don Robertson, son of Floyd and Louise Robertson, had a surprise ice cream party for his 12th birthday. He had some of his pals in, then his Dad took them on a swimming party at State Park.

Mrs. Essie Caton, who has been ill for such a long time, wants to say Thanks to the people of Pacolet Mills for their kindness in visits, gifts, and cards. She is still a very sick lady and we must still remember her.

Mrs. Dolly Quinn wants to say Thanks to the good people of Pacolet Mills who were so kind to her during her recent illness at the hospital. Mrs. Quinn is still very weak. She and Peggy would like to have some young couple who need a house to take two rooms at her home in the country. I think she lets it rent free for the sake of having someone in the house with them.

Dr. J. E. Campbell is working in the drug store while Dr. Jarrett is out having a vacation.

and Mr. and Mrs. Charlie Petty of Route 1, Pacolet.

Leslie Neal is on the way home. He landed in Seattle and will go to Ft. Benning. We think Leslie is getting out of the service when this tour is up. He has been stationed in Korea.

Herbert Scales is finally home. Harold Murphy, Jr., of Garwood, N. Y., is visiting his grandmother, Mrs. George Petty. Harold is the son of Faye Petty Murphy.

When Frank Harrold and Mush Kirby went to Texas they took a 140 mile side trip to Carswell A. F. B. and picked up Jack Mabry and took him to dinner and to a rodeo. I know that was a red letter day for Jack. We're just sorry they didn't find the others of our boys who went to Carswell too.

We are starting a new year on the White Rose Cemetery project. We want everybody to visit the cemetery and see the improvements the year has made and the fine work Mr. Tessenier has done there and then, please, get your new year contribution in so that we won't have to worry about whether the work will continue without a break.

You know, newsgathering is a funny business. We go about and ask people if they have any news for the paper. Ninety out of a hundred will have a vacant look, and a drooped jaw and say, "I just don't know a thing." Think of a whole month passing and any person not having one news item. Well, then, we hear the criticism that somebody's picture got in twice or somebody seems to burst out in print most every month,

Personal Items

Mrs. Boyce Turner will leave San Francisco on August 21st to join her husband on Guam. We hear that Paul Brown Jr. will be on the same boat on his way to Hawaii, and that Sgt. Fred Green will be leaving San Francisco on the same date for Honolulu. We hope these folks all get together and have a nice time talking about Pacolet Mills.

Tobe Campbell, with the help of all bystanders, is coming along fine with his new home. He says all you need is a Union Card and an apron and hammer and you may join the volunteers. From the looks they are doing a grand job so Tobe must be a good overseer.

Ella Henderson's brother, Bill Gossett, came in from Korea and surprised the family. He will be at Fort Jackson for the present.

Mr. and Mrs. Murphy Greene, Mrs. Mae Webb and Thelma Ray spent the weekend recently with Mrs. Effie Brown.

Miss Cleo Burgess read in the Neigh that Carl Williams was in Gallinger Hospital in Washington, so she went to visit him since she is stationed in Washington. She says Carl will have to be in the hospital at least for a year, so folks who can't visit him might send him a card or write him a letter.

Paul Brown Jr. was home for a short visit. He has been in San Diego but will go to the Pacific on his return.

Frank Teaster will get home

for a 15 day furlough before leaving for the Pacific. He is also stationed at San Diego.

Judge Robinette's sons, Alan and John, from Bristol, Tenn., were guests of Fred Robinette at Pacolet, in August.

Shug and Bettie Trent, Sara Emma and Red Harvey, Dot and Shag Goforth and Merle and Louis Jones took a trip to Washington in August. They visited all points of interest in Washington and came back by the Caverns in Virginia. They came over the Skyline Drive and Blue Ridge Parkway and report a wonderful time, and all still are on friendly terms, which is a good proof of something.

Charles Lowery's home has been completed and Charles Jr. and wife have moved in. The idea is that when Charles Sr. gets ready to retire he will have his home to move to. We hope to get a picture when they get the grounds in order. It is a very attractive home.

Roy (Sonny) Mathis and Frank Goforth, son of Wyatt Goforth, attended the State F.F.A. convention at the University of South Carolina July 9th to 11th. They were delegates from the Pacolet unit of which Sonny is president. Also, Sonny raced in the Soap Box Derby again. Gene Reeves raced too. They both rode last year.

Sam Arnold and wife from Rome, Georgia, spent the weekend of the 15th with relatives here. Sam is working for Burlington Mills. He says they have a community paper but it doesn't compare with ours for news value. They had been spending their vacation in Florida and Cuba.

The Men's Club of the Methodist Church treated themselves to a fish supper on August 3rd. The fish were sent from Victor Inn, and they had Mr. S. F. Cannon of Spartanburg as guest speaker.

Cliff Gray sent Arthur Godfrey five bushels of South Carolina peaches by Eastern Airlines. Mr. Godfrey commented on them on radio and television and said he didn't know that South Carolina was a peach state — thought they all came from Georgia. Well, now he knows and he is telling the world.

Amos Glass, so they tell us, had the crave to go fishing and took five trips to Berry's lake without getting a bite.

Mr. and Mrs. Boyd Greene took a trip to Washington to visit Mr. Greene's brother, in August.

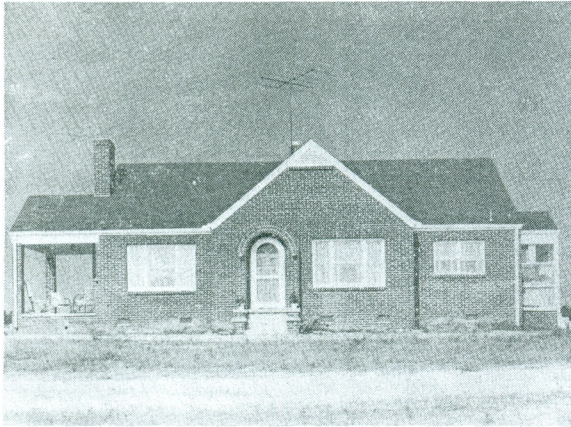

HOME OF THE WELLS FAMILY

The conveniences of these country homes still amazes us as a visit was made to the Dick Wells' home on the Jonesville Highway for the first time. This bright, airy, six-room home has every convenience. The kitchen is attractive in red and white decoration, built-in cabinets, electric stove, water heater, etc.

The Wells have raised a family of 11 children, of which six are boys and five girls. There are 18 grandchildren to boast about, too.

Now, only Mr. and Mrs. Wells and Evvie are at home, but Paul is building a lovely home nearby and Christine and Pete Smith have a home on an adjoining lot. They have a nice garden and an orchard started, and altogether it is a lovely country home. Mr. Wells is a policeman here and most of the children work at Pacolet Mills, too.

THE STEELE MULWEE HOME

We went by to see Steele Mullwee's new home and it is just as lovely as we thought it would be. It is built on a rise of ground beyond our ballpark. The Mullwees have been very industrious and already show a nice orchard started, and some planting done. Shade trees will be planted this fall at this home.

Their five-room home has a large central hall and is equipped with the register for the central heating unit. A basement has been dug but has not been completed as yet. The Mullwee tract of land consists of around eight acres and they have all the room they will need, plus a lovely view of all the surrounding country.

HOME OF THE WYATT GOFORTHS

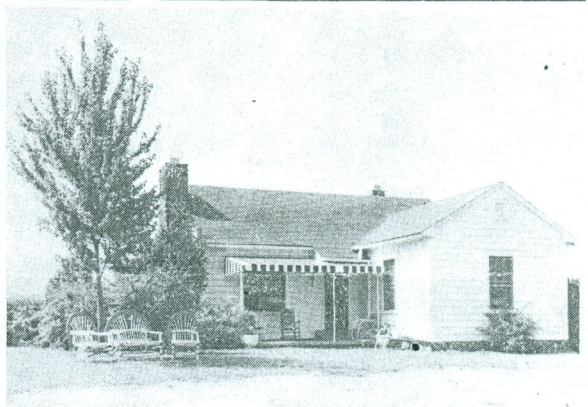

Our specialty has been searching out the new homes and telling about them, but this time we are going to tell about one of our older citizens who has a home in the country: that of Mr. and Mrs. Wyatt Goforth.

We went for the first time to visit Mrs. Goforth. Although she has been ill for a long time, she is at home and expects to soon be getting around with crutches or perhaps a wheelchair. She is looking well, but says she still has a pain at times.

The Goforth home is very comfortable, and even though it was a very warm day the house seemed cool and breezy.

Nearly everywhere we looked was fine cornfields. Mr. Wyatt said he had about 14 acres in corn and it hadn't been hurt by dry weather, seemingly. The farm has about 100 acres, of which 20 is in pasture and some planted to fescue. A nice garden is another aspect of the Goforth home.

Betty, Frank, and Harvey are still at home of the seven children. Alec is in service at Fort Benning (picture elsewhere in this issue). One of the Goforth sons died in World War II.

FELIX PARKER FAMILY HOME

The Felix Parkers have a lovely home in the country and we paid them a visit. Many improvements have been made and we'll tell about them. At the time of our arrival Felix was resting on the cool concrete porch at the side of the house, but it's really facing the road.

The six-room home is modern and light and, like the other country homes visited, it was very cool as compared to the burning temperature outside. The Parkers have a large basement and the back of the house is so high that the double doors of the basement would allow for being used as a garage if needed there. The yard is all grass covered and clean, as in fact the whole place had a clean cared for appearance that was delightful.

Felix raises his own meat and has a locker at Gaffney. The Parkers also do their canning at the cannery there and make the most of everything they raise.

They have chickens and guineas, their milk cow, and three yearling, one of which is being raised for beef. Felix has around 30 acres in two tracts and has about 20 acres fenced in for pasture. Both he and Winnie work and it's hard to see how they have been able to accomplish so much with their home.

Mrs. John Allen has been made a life member of the Women's Society of Christian Service of the Methodist Church. She and Mrs. Ben Holmes, who is also a life member, were charter members of the society which was organized about 1911.

Mr. and Mrs. Fred Keim were weekend guests of Mrs. Mary Robinette on the 4th. Bonnie Faye brought a bushel of N. C. green beans to be canned.

Jennings Banks has had to go to the hospital with a virus infection. It seems we are having a mild epidemic of those infections just now.

Mrs. Virgie Worthy, Bobby and Imogene Fowler took a trip over the Scenic Parkway from Asheville to Mt. Mitchell and Blowing Rock and back by way of Morganton. The drive was lovely and Virgie is getting to be a real driver. Said she drove most of

the way. The David Walkers spent their vacation with friends and relatives in Anderson.

Charles and Grace Lowery took a cottage at Sullivan's Island for a week of complete rest.

Bill and Genelle Loving had a wonderful trip to Chattanooga, visiting Rock City and Ruby Falls. It was Bill's first visit to the cave and they enjoyed the four day trip very much.

Ned Smith, who is stationed at Montgomery, Alabama, spent the weekend of the 4th with our National Guards at Ft. McClellan.

Mr. and Mrs. Jeff Hodge of Newbern, N. C., were weekend guests of Dave Hodge and family on the 4th.

Roy Martin's son Robert is home on emergency furlough, because of the illness of his father. Mr. Roy has been in the hospital again.
